SUBJECT: Direct Communications Cedar Valley, LLC
Docket No. 09-2419-T01
Dated May 26, 2009

RECOMMENDATION: approve

The Division recommends that the Commission approve this tariff filing.

ISSUE:

The purpose of this filing is to update the current tariff with an exchange map.

BACKGROUND:

This filing corrects the omission of an exchange map with the filing of the current tariff. The proposed changes fall within the provision of *Utah Code* § 54-7-12(4), as amended and, therefore, could become effective without the necessity of a hearing before the Commission.
