**Re: Dkt. No. 09-2424-01, In the Matter of the Utah Rural Telecom Association's  
Petition to Initiate Rulemaking Proceedings to Amend Utah Admin. Code  
R746-360-8**

Dear Ms. Orchard:

Please accept this letter as the comments of Frontier Communications Corporation ("Frontier") on the pending amendment to the Commission's USF Rule, R746-360-8, in Dkt. No. 09-2424-01. Exhibit A to this letter reproduces the pending rule amendment as published in the *Utah State Bulletin* on September 15, 2010.

As reflected in Exhibit A, Frontier proposes to delete a single word from the pending rule amendment. R746-360-8(A)(1)(a)(iii) refers to a September filing of FCC Form 492A. The FCC's rules do not call for a September filing of Form 492A for price cap carriers, of which Frontier is one. As a price cap carrier, Frontier must file a completed Form 492A three months after the end of a calendar year and a final report no later than fifteen months after the end of a calendar year showing adjustments to filed results since the first report. The FCC's filing requirements for Form 492A may be found at <http://www.fcc.gov/wcb/filing.html#rateofreturn>.

Sincerely,

A handwritten signature in black ink that reads "Curt Huttsell".
