Dear Mr. Widerburg:

On May 1, 2015, in compliance with CenturyLink's commitments made in the FCC's proceeding regarding the transfer of control of Qwest Communications International Inc. to CenturyLink<sup>1</sup>, and pursuant to Condition 12 of the Merger Agreement between CenturyLink and Integra Telecom and Condition III.B.1 of the Merger Agreement between CenturyLnk and the Division of Public Utilities (both approved by Commission Order on January 4, 2011 in Docket No. 10-049-16), CenturyLink provided notice to the Utah Commission of its planned Wholesale OSS consolidation for Qwest Corporation and a copy of the detailed CenturyLink Access Service Ordering and Billing System Consolidation Plan ("Consolidation Plan").

CenturyLink invited customers to review and comment on the Consolidation Plan. Customers were also invited to attend a CenturyLink/Customer Preliminary Implementation Plan Review Meeting that was held on May 13, 2015. CenturyLink did receive customer comments on the Consolidation Plan and has updated the Consolidation Plan where appropriate to address customer comments.

<sup>1</sup> WC Docket No. 10-110, Appendix C, released March 18, 2011.

In this filing, CenturyLink is providing a copy of version 2 of the Consolidation Plan. The revisions to the Consolidation Plan are listed in the new Section "Document Modification Log" which includes brief descriptions of the changes that were made. CenturyLink is also including Appendix A to the Consolidation Plan but notes that no updates were made to the information contained in this document.
