BEFORE THE PUBLIC SERVICE COMMISSION OF UTAH

In the Matter of the Joint Application of Qwest Communications International, Inc. and CenturyTel, Inc. for Approval of Indirect Transfer of Control of Qwest Corporation, Qwest Communications Company, LLC, and Qwest LD Corporation	tw telecom of utah llc's Petition to Intervene Docket No. 10-049-16
--	--

tw telecom of utah llc (“**tw telecom**”), pursuant to Utah Code Ann. § 63G-4-207 and Utah Administrative Code Rule R746-100-7, through its undersigned counsel, hereby submits its Petition to Intervene in the above-captioned proceeding. As grounds for intervention, **tw telecom** states as follows:

1. **tw telecom** is a competitive local exchange carrier authorized to provide telecommunications services in Utah. **tw telecom** currently competes with, and obtains interconnection and related services from, Qwest Corporation (“Qwest”) in the provision of **tw telecom’s** telecommunications services.

2. **tw telecom's** legal interests are substantially affected by the proposed transfer of control of Qwest to CenturyTel. Qwest is the largest incumbent local exchange carrier ("ILEC") in Utah. **tw telecom** relies on interconnection with, and related services and facilities obtained from, Qwest to offer and provide service to customers in Qwest's service territory. **tw telecom** seeks to participate in this proceeding to ensure that the proposed transaction will not adversely impact competition in Utah or **tw telecom's** rights and ability to obtain the interconnection and related services and facilities it needs to provide its telecommunications services.

3. The evidence, if any, and briefing presented by **tw telecom** will assist the Commission in its resolution of the issues involved in this proceeding and will not broaden those issues or cause delay. As such, the interests of justice and the orderly and prompt conduct of the adjudicative proceedings will not be materially impaired by allowing **tw telecom** to intervene.

4. **tw telecom** requests that all communications related to this proceeding be addressed to:
