II.

Integra is a certificated telecommunications company authorized to provide both intraexchange and interexchange telecommunications services in the service territories of Qwest Corporation (“Qwest”) in Utah. Integra currently competes with, and obtains interconnection and related services and facilities from, Qwest in the provision of Integra’s telecommunications services.

III.

Integra has a substantial interest in the proposed transfer of control of Qwest to CenturyTel. Qwest is the largest incumbent local exchange carrier in Utah. Integra relies on interconnection with, and related services and facilities obtained from, Qwest to offer and provide service to customers in Qwest’s service territory. Integra seeks to participate in this proceeding to ensure that the proposed transaction will not adversely impact competition in Utah or Integra’s rights and ability to obtain the interconnection and related services and facilities it needs to provide its telecommunications services.

IV.

The evidence, if any, and briefing presented by Integra will be of material value to the Commission in its determination of the issues involved in this proceeding, and Integra’s intervention will not broaden those issues or delay the proceedings.

WHEREFORE, Integra prays for leave to intervene as a party to this proceeding, with the ability to participate to the full extent allowed by the Commission's rules and Utah law.

Dated this 3rd day of June 2010.
