XO currently competes with, and obtains interconnection and related services and facilities from, Qwest in the provision of XO’s telecommunications services.

III.

XO has a substantial interest in the proposed transfer of control of Qwest to CenturyTel. Qwest is the largest incumbent local exchange carrier in Utah. XO relies on interconnection with, and related services and facilities obtained from, Qwest to offer and provide service to customers in Qwest’s service territory. IV.

The evidence, if any, and briefing presented by XO will be of material value to the Commission in its determination of the issues involved in this proceeding, and XO’s intervention will not broaden those issues or delay the proceedings.

WHEREFORE, XO prays for leave to intervene as a party to this proceeding, with the ability to participate to the full extent allowed by the Commission's rules and Utah law.

Dated this 3rd day of June 2010.
