Subject: Meeting follow-up/RCP

Hi Scott,

Thanks again for meeting with me. I am still working on pulling together contacts for AQCB requests (including QMOE), but I did follow up with Doug Denney regarding the RCP agreements.

Integra recently had discussions about the fact that some of these plans are about to expire. Integra is disappointed in the changes Qwest recently announced with respect to the RCP. They made two changes that greatly diminish the value of the RCP. Changing from a circuit based commitment to a revenue based commitment, limits our ability to groom our network to the greatest ability. In addition, Qwest is changing the commitment level from 90 to 95%. Both of these substantially decrease the value of the RCP by increasing the risk associated with the plan.

You indicated that you have little leverage regarding RCP, however, I wanted you to know the impact of the changes Qwest made.

Thanks again,

Bonnie
