Your Honor,

Please be aware that I filed a follow up letter earlier today requesting that the hearings be moved to the week of December 13th, rather than the December 8th-9th dates set forth in the pending motion. This is based on my understanding that the Commissioners are busy December 8th-9th, but available the week of December 13th.

If you have any questions, please let me know.

Thank you.

Dear Mr. Trincherro,

I received your voicemail and made the Commissioners aware of it. They are also aware of the contents of your Motions (including the request for a hearing on Oct. 14th---last week). Once I have more information from the Commissioners on the pending motions, including a decision on the requested relief, all parties will receive notice of their decision.

Sincerely,

Ruben H. Arredondo
