CC: "'Patricia Schmid'" <pschmid@utah.gov>, "bevans@parsonsbehle.com" <bevan...>

Judge Arredondo -

The Joint Applicants (and I believe many of the other parties) would like to see if Your Honor might be available for a brief 20-30 minute hearing scheduling call or prehearing conference this afternoon (preferably before 3:00 p.m. MDT) to discuss a few logistical issues for the upcoming hearing next week, including the Issues Matrix that is due on Monday and hearing logistics, such as order of witnesses and cross-examination time estimates.

Unfortunately, since the Commission is not open on Friday, and we just had the issue of the hearing go forward resolved at 6:00 p.m. last night, we kindly request such a conference this afternoon. I understand from Ms. Schmid that she and the Division of Public Utilities are not available after 3:00 p.m. MDT.

Thank you for your consideration.

Everyone

Per the request of some of the parties, I will conduct a brief pre-hearing conference today at 3:00 PM, Utah time. I expect we will only be about 20-30 minutes, but am prepared to go as long as the parties need. Please call the bridge number:

1-866-789-8816 and when prompted enter *9911913*

I will be holding the conference in my courtroom, room 451 for those who can attend in person, as our meeting room is reserved already.

Additionally, the conference will be streamed live. You can access the live audio stream at <http://psc.utah.gov/> and then look under the "What's New" section, under "Upcoming Events" and you should be able to click on that link to hear it.

Judge Arredondo -

The Joint Applicants (and I believe many of the other parties) would like to see if Your Honor might be available for a brief 20-30 minute hearing scheduling call or prehearing conference this afternoon (preferably before 3:00 p.m. MDT) to discuss a few logistical issues for the upcoming hearing next week, including the Issues Matrix that is due on Monday and hearing logistics, such as order of witnesses and cross-examination time estimates.

Unfortunately, since the Commission is not open on Friday, and we just had the issue of the hearing go forward resolved at 6:00 p.m. last night, we kindly request such a conference this afternoon. I understand from Ms. Schmid that she and the Division of Public Utilities are not available after 3:00 p.m. MDT.

Thank you for your consideration.

Judge Arredondo -

The Joint Applicants (and I believe many of the other parties) would like to see if Your Honor might be available for a brief 20-30 minute hearing scheduling call or prehearing conference this afternoon (preferably before 3:00 p.m. MDT) to discuss a few logistical issues for the upcoming hearing next week, including the Issues Matrix that is due on Monday and hearing logistics, such as order of witnesses and cross-examination time estimates.

Unfortunately, since the Commission is not open on Friday, and we just had the issue of the hearing go forward resolved at 6:00 p.m. last night, we kindly request such a conference this afternoon. I understand from Ms. Schmid that she and the Division of Public Utilities are not available after 3:00 p.m. MDT.

Thank you for your consideration.

Your Honor-

Mr. Trincherro and I have another settlement conference in Oregon this afternoon starting at 2:00 p.m.

MDT. However, unlike other settlement conferences in Oregon, this one is by telephone, and thus I will make myself available for a call at any time that is convenient to Your Honor.

Thank you. Alex Duarte

Why doesn't everyone email me a time they are available to meet today and let's see what we can do. I can't make any promises given the number of parties and the various schedules involved.

Judge Arredondo -

The Joint Applicants (and I believe many of the other parties) would like to see if Your Honor might be available for a brief 20-30 minute hearing scheduling call or prehearing conference this afternoon (preferably before 3:00 p.m. MDT) to discuss a few logistical issues for the upcoming hearing next week, including the Issues Matrix that is due on Monday and hearing logistics, such as order of witnesses and cross-examination time estimates.

Unfortunately, since the Commission is not open on Friday, and we just had the issue of the hearing go forward resolved at 6:00 p.m. last night, we kindly request such a conference this afternoon. I understand from Ms. Schmid that she and the Division of Public Utilities are not available after 3:00

p.m. MDT.

Thank you for your consideration.
