Re: In the Matter of the Joint Application of the BLC Management LLC d/b/a Angles Communication Solutions Transfer of Control to BLC Acquisition Group, LLC. Docket No. 10-2501-01.

RECOMMENDATION (Acknowledgement):

The Division has reviewed the amended notice submitted by BLC Management LLC d/b/a Angles Communication Solutions and BLC Acquisition Group, LLC that corrects the company's name from Associated Telecommunications Management Solutions, LLC to Associated Telecommunications Management Services, LLC. The Division recommends acknowledging the correction to the name

EXPLANATION:

On April 22, 2010, BLC Management LLC d/b/a Angles Communication Solutions and BLC Acquisition Group, LLC filed a joint application for the transfer of control from BLC Management LLC d/b/a Angles Communication Solutions to BLC Acquisition Group, LLC. The Division reviewed the application and found that it would be in the public interest to allow the transfer of control.

In the joint application it was stated the BLC Acquisition Group, LLC was 100% owned by Associated Telecommunications Management Solutions, LLC. It should have read Associated Telecommunications Management Services, LLC. This correction to the name of the company does not change the original recommendation of approval that was given by the Division on May 18, 2010.

Therefore, Division recommends acknowledgement of the name correction submitted by the company.
