Re: *In the Matter of Virgin Mobile USA, L.P. Petition for Limited Designation as an Eligible Telecommunications Carrier*; Docket No. 10-2521-01

Dear Ms. Browning,

The Public Service Commission of Utah (“PSC”) reviewed the November 21, 2019 filing by Virgin Mobile USA, LP (“Virgin Mobile”), of an update to its lifeline service offering. The PSC also reviewed the November 25, 2019 action request response filed by the Division of Public Utilities (DPU). The DPU states Virgin Mobile’s filing fulfils the notification requirement for changes to Virgin Mobile’s Lifeline service offering.¹ The DPU concludes there is no reason to deny the changes and recommends the PSC acknowledge the changes.

Based on the PSC’s review of the filing and the DPU’s response, the PSC acknowledges receiving the notice of changes to Virgin Mobile’s Lifeline service offering as described in its November 21, 2019 filing, with a December 1, 2019 effective date as indicated in the filing.

Sincerely,

/s/ Gary L. Widerburg

PSC Secretary

DW#311227
