Chris Parker, Director
Bill Duncan, Manager, Telecommunications and Water
Paul M. Anderson, Utility Technical Consultant

RE: Docket No. 11-041-T03 Citizens Telecommunications Company of Utah d/b/a Frontier Communications of Utah filing to clarify by means of cross reference the exchange name of Promontory as listed in the network engineering records is identical to the exchange listed in the tariff as Howell.

ISSUE:

Citizens Telecommunications Company (Citizens) is filing this addition to its existing tariff, to clarify the interchangeable use of the exchange called Promontory in its network engineering records and the exchange called Howell in its local tariff. It also revised its original Advice Letter No. CTC-UT-11-02, dated April 28, 2011, to correct the spelling of Promontory.

RECOMMENDATION: Approve Tariff Modification

The Division has reviewed this modification for any rate increase to base rates that would require a rate hearing and has found none. The Division agrees with this change to clarify how the "Promontory Exchange" and "Howell Exchange" names are used interchangeably in engineering and tariff records and agrees with the corrected spelling of Promontory.

The Division therefore recommends that the tariff be approved and that this filing become effective on May 30, 2011.
