By The Commission:

This matter is before the Commission on the parties' joint motion for suspension of scheduling order in this docket pending approval of a partial stipulation to be submitted by the parties. The parties represent that they are in the process of completing a partial stipulation that resolves most of the issues raised in All West's application, save two: 1) normalization of depreciation; and 2) the appropriate application of approved depreciation rates under group asset accounting to include treatment of fully depreciated accounts.

For good cause appearing, the parties' motion is granted. Accordingly, the scheduling order previously entered herein is hereby suspended.
