This matter was published in the Commission's Official Bulletin dated **April 29, 2011**. It will run for 15 days. Upon the expiration of **15 days** from the date of this bulletin without intervention, this transfer, pursuant to Section 301 M. of the Commission's Local Competition Regulations, is deemed approved without further action by the Commission.

If, however, there is a timely intervention or protest, an action will be instituted by the Commission pursuant to LPSC General Order dated December 14, 2006, and as authorized by La. R.S. 45:1180 *et. seq.*, **Global Crossing Telecommunications, Inc. and Level 3 Communications, LLC** may be required to pay some or all of the expenses incurred to assist the economics and rate analysis division and/or administrative hearings division in its examination of this matter, including but not limited to the fees charged by court reporters hired to take and/or transcribe any testimony given therein and perform any other services necessary to prepare an official certifiable transcript of the proceedings.

Please refer to the Commission's website at [www.lpsc.org](http://www.lpsc.org) to determine whether any interventions have been filed prior to the expiration of the intervention period. Absent such filing, you will receive nothing further from the Commission. Should you have any questions regarding this matter, please contact Melanie Verzwylt at (225) 342-9888.
