Re: **Utah Docket No. 12-046-T02,** TARIFF : Manti Telephone Company (Manti)–Manti files to modify its tariff to remove the Voice Mail feature which was deregulated by the FCC several years ago.

ISSUE:

This tariff modification request by Manti will remove the old Voice Mail feature still listed in the tariff that was previously regulated. It was deregulated in the late 1970's and is no longer required in the tariff.

RECOMMENDATION:

The Division has reviewed this modification for any rate increase to base rates that would require a rate hearing and has found none. The Division therefore recommends that these changes become effective April 25, 2012.

Patricia E. Schmid, Assistant Attorney General, Utah Attorney General's Office
Ray Hendershot, Vice President, GVNW
