RE: Qwest PAP Report - Refiling to reflect new Commission Administrator name

Dear Mr. Widerburg:

Attached are the February payments for the Utah Performance Assurance Plan (PAP) based on December 2011 performance.

We reran the data beginning in April 2011 to correct the identification of unbundled analog loop and unbundled loop conditioning products and to remove non-company caused tickets.

Please let me know if you have any questions about this information.

Sincerely,

For James B. Farr
