RE: Docket No. 12-050-T02 Navajo Communications Company filing to introduce new Residential bundled services and grandfather existing Residential bundled services.

ISSUE:

Navajo Communications is filing this docket to modify its tariff to introduce three new residential bundles called Frontier Digital Phone Essentials, Frontier Digital Phone Unlimited and Frontier Digital Phone Unlimited Plus.

This change appears in Section 8 under Bundled Services.

RECOMMENDATION: Approve Tariff Modification

The Division has reviewed this modification for any rate increase to base rates that would require a rate hearing and has found none. The Division therefore recommends that the Commission approve this modification in Navajo Communications' tariff and have it become effective July 14, 2012.
