**RE: Docket No. 12-050-T07 Navajo Communications Company filing to remove Frontier Simply Unlimited Service-Leader Business bundled service from the tariff.**

**ISSUE:**

Navajo Communications is filing this docket to remove a new bundled service offering for business customers from its tariff. There are now customers subscribing to this service.

This change appears in Section 8 under Bundled Services.

**RECOMMENDATION: Approve Tariff Modification**

The Division has reviewed this modification for any rate increase to base rates that would require a rate hearing and has found none. The Division therefore recommends that the Commission approve this modification in Navajo Communications' tariff and have it become effective November 12, 2012.
