*Re: Advice Letter—Bear Lake Communications, Inc. /Tariff Filing
Docket No. 12-2201-T02*

To the Commission:

Bear Lake Communications, Inc. submits for approval a revised tariff that changes the Emergency Line rate to meet the specified local rate floor adopted in the Federal Communications Commission's (FCC) USF/ICC Transformation Order. This rate change would lower the amount of Bear Lake Communication's federal high-cost loop support reductions.

This tariff change is requested to be effective December 1, 2012, to satisfy the amended local service rate report date in the FCC's Third Order on Reconsideration of the USF/ICC Transformation Order.

I have enclosed an original and two (2) copies, along with a third copy to be date stamped and returned to my office.

If you have any questions concerning the above, please contact me at your convenience.

Very truly yours,
