Good Day Melanie,

In the settlement conference all parties discussed the possibility of moving up the Hearing from the original date of January 8, 2013. I have included communication from all the parties below indicating that December 4, 2012 would work as an alternate hearing date. Please let me know if this date works for the Commission or if there are other dates that are feasible. Thanks and have a great day.

Good Day everyone,

I am uncertain if the Division provided feedback on the proposed stipulation in this Docket. Generally the Division is comfortable with the proposed Stipulation.

Additionally, as discussed in the settlement conference I spoke with Melanie the ALJ and she proposed that we bring some dates for a hearing to her. The Division would be available on November 19th or 20th 2012 for a hearing or December 3rd or 4th, or anytime the week of December 10th -14th. Let me which of those dates work. Thanks and have a great day.
