Re: Telrite Corporation d/b/a Life Wireless; Docket 12-2553-01

Dear Mr. Widerburg:

Effective December 1, 2020, Telrite Corporation d/b/a Life Wireless offers Lifeline plan in the State of Utah as follows:

750 Minute Plan: Qualified new subscribers and existing subscribers will now receive 750 voice minutes, Unlimited Texts, 4.5 GB of data and unlimited MMS (Multimedia Messaging Service – MMS – enables the sending of messages with multimedia content). Unused minutes do not roll over to the following month.

This plan complies with the Federal Communications Commission's current minimum service standards.¹ It also complies with the Commission's Order Approving Stipulation Settlement Agreement in Docket 18-2553-01, issued April 12, 2019, approving Telrite to receive \$3.50 per qualifying line from the Utah Universal Service Fund.

Please contact me if you have any questions about these revisions.

Sincerely yours,

A handwritten signature in blue ink that reads "Susan J. Berlin".
