Re: *In the Matter of the Petition of Telrite Corporation d/b/a Life Wireless for Limited Designation as an Eligible Telecommunications Carrier, Docket No. 12-2553-01*

Dear Ms. Berlin,

The Public Service Commission (PSC) reviewed the January 12, 2021 filing by Telrite Corporation d/b/a Life Wireless (“Life”) of an update to its Lifeline service offering. Life has increased its broadband Lifeline offering to include unlimited text, 750 voice minutes, 4.5 GB of data, and unlimited multimedia messaging service per month. The PSC also reviewed the January 21, 2021 action request response filed by the Division of Public Utilities (DPU). DPU confirms Life’s offering complies with the Federal Communications Commission’s minimum service standards, and recommends the PSC acknowledge Life’s proposed changes to its Lifeline offering and allow the effective date to be December 1, 2020.

Based on the PSC’s review of the filing and DPU’s response, the PSC acknowledges receiving Life’s notice of changes to its Lifeline service offering as described in its January 12, 2021 filing.

Sincerely,

/s/ Gary L. Widerburg
PSC Secretary
