Re: *Application of Total Call Mobile, LLC For Approval of Relinquishment of Eligible Telecommunications Carrier Designation*
Docket No. 12-2561-01

Dear Mr. Widerburg:

Enclosed for filing please find an original and two (2) copies of the Application of Total Call Mobile, LLC for Relinquishment of its Eligible Telecommunications Carrier Designation.

Thank you for your assistance in this matter. Please do not hesitate to call me if you have any questions regarding this matter or require additional information.

Very truly yours,

Kenneth J. Sheehan

STATE OF UTAH

BEFORE THE PUBLIC SERVICE COMMISSION OF UTAH

In the Matter of) Docket No. 12-2561-01
)
Petition of Total Call Mobile, Inc.)
for Relinquishment of Eligible)
Telecommunications Carrier Designation)

**PETITION OF TOTAL CALL MOBILE, INC. FOR RELINQUISHMENT OF
ELIGIBLE TELECOMMUNICATIONS CARRIER DESIGNATION**

Total Call Mobile, Inc. (“Total Call”), pursuant to 47 U.S.C. § 214(e), 47 C.F.R. § 54.205, and a Utah Public Service Commission (the “Commission”) Order dated April 8, 2013 submits to the Commission this Petition to Relinquish its Eligible Telecommunications Carrier (“ETC”) Designation in the State of Utah, effective December 31, 2016. Total Call also seeks the cancellation and withdrawal of any and all of Total Call’s Informational Tariffs for the service on the same date. Total Call proposes to relinquish its ETC designation due to changes in the wireless industry and proposed modifications to the Lifeline program.

In support of this Petition, Total Call states as follows:

Background

1. Total Call is a Delaware limited liability company. Its principal place of business is 1411 190th Street, Suite 650, Gardena, CA 90248. Total Call provides wireless Lifeline telecommunications services to consumers in Utah through resale of Commercial Mobile Radio Services (“CMRS”) provided by Sprint PCS (“Sprint”) and AT&T Corp. (“AT&T”).
2. By Final Decision dated April 8, 2013, the Commission granted Total Call’s request for designation as a Lifeline-only ETC in Utah. In the Matter of the Petition of Total Call Mobile,

Inc., for Limited Designation as an Eligible Carrier Application, Docket No. 12-2561-01, (the “Decision”), dated April 8, 2013.

3. Total Call seeks to relinquish its ETC designation and to discontinue service in Utah due to changes in the wireless industry and proposed modifications to the Lifeline program. Total Call also intends to exit its wireless Lifeline business in every state and U.S territory in which it currently offers wireless Lifeline service. Total Call is not currently enrolling any new Lifeline subscribers in Utah.

Federal and State ETC Relinquishment Requirements

4. 47 U.S.C. § 214(e)(4) states, in pertinent part:

A State Board [...] shall permit an eligible telecommunications carrier relinquish its designation as such a carrier in any area served by more than one eligible telecommunications carrier. An eligible telecommunications carrier that seeks to relinquish its eligible telecommunications carrier designation for an area served by more than one eligible telecommunications carrier shall give advance notice to the State Board [...] of the relinquishment. Prior to permitting a telecommunications carrier designated as an eligible telecommunications carrier to cease providing universal service in an area served by more than one eligible telecommunications carrier, the State Board [...] shall require the remaining eligible telecommunications carrier or carriers to ensure that all customers served by the relinquishing carrier will continue to be served, and shall require sufficient notice to permit the purchase or construction of adequate facilities by any remaining eligible telecommunications carrier.

Id.; see also 47 C.F.R. § 54.205. As shown below, Total Call satisfies all relevant requirements.

Designated Service Area

5. Total Call seeks to withdraw its ETC designation throughout its entire designated service area in Utah.

6. As set forth in 47 U.S.C. § 214(e)(4) and 47 C.F.R. § 54.205, federal law requires the Commission to permit the withdrawal of an ETC designation in any area served by at least one other ETC.

7. Total Call provided wireless Lifeline service to customers in approximately eighty-nine (89) wire centers across Utah.¹ Each of these wire centers is served by an incumbent local exchange carrier (“ILEC”) that is designated as an ETC.

8. As a consequence, following relinquishment of Total Call’s ETC designation, Total Call’s service area will continue to be served by at least one ILEC ETC. In addition, according to USAC records, prospective subscribers will have access to at least twelve (12) other competitive wireless Lifeline providers that provide service in at least part of Total Call’s designated service area – including Budget Mobile, Tempo Telecom, and Assurance Wireless.²

9. Because at least one ILEC ETC already serves each of the wire centers that Total Call serves, those ETCs will not be required to purchase or construct additional facilities to ensure that Total Call’s Lifeline subscribers continue to receive service. In addition, to the best of Total Call’s knowledge, none of the competitive wireless Lifeline providers will be required to purchase or construct additional facilities to continue providing service within the wire centers comprising Total Call’s service area.

10. Because there is at least one additional ETC in each of Total Call’s designated service areas, there is no bar to prevent it from relinquishing its ETC designation in Utah, and 47 U.S.C. § 214(e)(4) and 47 C.F.R. § 54.205 have been met.

Customer Notice

11. Total Call currently has 302 wireless Lifeline subscribers in Utah.

12. All of these customers are scheduled to be transferred to Boomerang Wireless, an existing and approved ETC designated carrier in Utah. This transfer will be effectuated on or about December 21, 2016.

¹ See <http://www.usac.org/hc/tools/wctozone/IASWCtoZoneSearch.aspx>.

² See <http://www.lifelinesupport.org/ls/companies/CompanyListing.aspx?state=UT&stateName=Utah>.

13. According, upon the termination date of December 31, 2016, Total Call will have no customers in Utah.

Cancellation and Withdrawal of Total Call's Informational Tariff

14. Given that Total Call should be permitted to relinquish its ETC designation in Utah for the reasons stated above, the Commission should also permit Total Call to cancel and withdraw, as appropriate, any and all Informational Tariff or Tariffs.

CONCLUSION

For the foregoing reasons, Total Call respectfully seeks approval from the Commission to relinquish its Eligible Telecommunications Carrier ("ETC") designation in the State of Utah, effective December 31, 2016, and the cancellation and withdrawal of any Informational Tariffs, effective the same date.

Respectfully submitted,

By:
