**Recommendation:** Accept the filing as complete and hold a scheduling conference for this

The Division of Public Utilities (Division) has reviewed Manti Telephone Company's (MTC) Application for Increase in USF Eligibility, filed with the Utah Public Service Commission (Commission) on September 11, 2013 and the Supplement to the Application filed on September 20, 2013. The Division has found the Application and Supplement to be substantially complete in accordance with Administrative Rule R746-700-40, and has no opposition to the filing, and recommends that the Commission proceed with a scheduling conference with MTC and all interested parties as soon as it can be arranged by the Commission.
