

BEFORE THE PUBLIC SERVICE COMMISSION OF UTAH

In the Matter of Qwest Corporation d/b/a CenturyLink QC's Petition for Commission Approval of 2013 Additions to its Non-Impaired Wire Center List	Docket No. 13-049-18 REPLY COMMENTS
---	--

On August 30, 2013, Qwest Corporation d/b/a CenturyLink QC (“CenturyLink”) filed a petition with the Commission to add CenturyLink’s Clearfield and Kearns wire centers to its non-impaired wire center list (the “Petition”) in accordance with the FCC’s *Triennial Review Remand Order* (“TRRO”).¹ The Commission gave interested parties until October 11, 2013 to submit comments in this matter. CenturyLink requests that the Commission immediately grant the Petition since there is no opposition.

On October 11, 2013, Integra Telecom of Utah (“Integra”) filed comments with respect to CenturyLink’s Petition. Integra requested an additional week to verify the presence of three-fiber based collocators in the Clearfield and Kearns wires centers. On October, 18, 2013, Integra filed supplemental comments advising the Commission that it “completed its evaluation verifying the number of fiber based collocators in Clearfield and Kearns, therefore, Integra withdraws its previous objections to CenturyLink’s request...” and that it “is unopposed to CenturyLink’s application.”² Additionally, on October 21, 2013, the Division of Public Utilities indicated that it had no opposition to CenturyLink’s Petition.

¹ Order on Remand, *In the Matter of Review of Unbundled Access to Network Elements, Review of Section 251 Unbundling Obligations of Incumbent Local Exchange Carriers*, CC Docket No. 01-338, WC Docket No. 04-313 (FCC rel. February 4, 2005) (hereafter “*Triennial Review Remand Order*” or “TRRO”).

² October 18, 2013 Comments of Integra.

CenturyLink has until October 28, 2013 to file reply comments. Since there is no opposition, CenturyLink requests that the Commission immediately grant its Petition adding the Clearfield and Kearns wires centers to its non-impaired wire center list. CenturyLink's Petition may be adjudicated informally under Utah Code Ann. §63-46b-5 and R746-110 of the Commission's Rules.

Dated: October 22, 2013

Respectfully submitted,

CENTURYLINK
