

BEFORE THE PUBLIC SERVICE COMMISSION OF UTAH

Joint Application of Qwest Communications Company, LLC and Certain of its IXC Subsidiaries and Affiliates for all Approvals Required For Internal Corporate Restructuring; Informal Adjudication of Merger; and for Name Change

Docket No. 13-2204-02

NOTIFICATION OF SECRETARY OF STATE FILING

On February 5, 2014, the Public Service Commission of Utah (the “Commission”) approved Qwest Communications Company, LLC d/b/a CenturyLink QCC (“QCC”), Qwest LD Corporation d/b/a CenturyLink LD (“QLDC”), and Embarq Communications, Inc. d/b/a CenturyLink Communications (“ECI”) (collectively referred to as “Applicants”)¹ joint application for Commission approval of an informal corporate restructuring, informal adjudication of merger, and name change (the “Order”). The Order states that Applicants will file evidence of QCC’s name change to CenturyLink Communications, LLC after such filing is made with the Utah Secretary of State.

Attached hereto as Exhibit 1 is QCC’s approved filing with the Secretary of State changing its name to CenturyLink Communications, LLC.

Respectfully submitted this 5th day of May, 2014.

¹ Since QLDC and ECI are Interexchange Carriers (“IXC”) they are not required to be certificated in Utah. QLDC and ECI were included as applicants simply because they were merged into QCC, a certificated entity in Utah. CenturyLink does not concede that QLDC and ECI are required to be applicants, but include these entities to the extent the Commission believes the transaction described in this Application required approval under Utah Code Ann §§ 54-4-28, 54-4-29 and/or 54-4-30.
