Docket No. 13-2341-01

RE: Notice of Name Change from Zone Telecom, LLC to ANPI Business, LLC

Dear Commission:

Zone Telecom, Inc. was granted authorization as an interexchange reseller by the Utah Public Service Commission and provides service to primarily business end users and a limited number of residential customers in Utah. Pursuant to the notification letter filed with the Commission on October 14, 2010 (see Docket No. 10-2341-01), Zone Telecom, Inc., a Delaware corporation, was converted into Zone Telecom, LLC, a Delaware limited liability company on March 24, 2011. Please be advised that Zone Telecom, LLC ("Zone") has changed its name to ANPI Business, LLC ("ANPI Business").

Attached is a copy of ANPI Business, LLC's Certificate of Registration to do business in Utah as issued by the Utah Department of Commerce, Division of Corporations and Commercial Code and the filed Application Amending Authority to Conduct Affairs.

ANPI Business has also provided updated regulatory contact information. The address of ANPI Business has changed, as noted in the attached and updated contact listing. Ownership and management remains unchanged.

Based on previous interaction with the Commission, it is our understanding that Utah does not regulate VoIP services at this time. ANPI Business does intend to offer VoIP services. We will continue to monitor Utah's regulations concerning VoIP technology to insure we remain in compliance with the Commission Rules.

ANPI Business, LLC respectfully requests that the previously granted authorizations be amended to reflect ANPI Business, LLC as the certificated service provider.

Please acknowledge receipt of this filing by date-stamping and return the extra copy of this letter in the self-addressed, stamped envelope included for this purpose. Should anything further be required, please let me know.

Respectfully submitted,
