Dear Valued Customer:

Great news! TNCI Operating Company LLC ("TNCI") has reached an agreement with Pac-West Telecomm, Inc., Tex-Link Communications, Inc. and nWire, LLC (collectively, "Pac-West") to acquire their business, including your account. As part of this transition, TNCI will assure that you continue to receive the same great service and dedication to your telecommunications needs.

Please rest assured that the transaction will not affect the services you currently receive. You will continue to receive services with the same rates, features, terms and conditions as you currently enjoy. Any changes to your service following the transaction will be made in compliance with your contract, service terms and applicable federal and state regulatory requirements. TNCI will automatically become your telecommunications provider on or about September 5, 2013. (The specific date(s) of the transfer of your interstate and intrastate telecommunications services may differ somewhat depending upon when we receive the applicable federal and state regulatory approvals.)

This change will be completely seamless for you and you do not need to do anything in order for it to occur -- TNCI will take care of all of the details and TNCI will be responsible for any change fees associated with transferring your account to TNCI. However, it is important that you be aware of the following information. You are responsible for continued payment of your monthly recurring and usage charges throughout this period. Unless you have made arrangements on your own to switch your telecommunications service to a different telecommunications company prior to the date that your services are transferred to TNCI, your account will automatically be transferred and your service contract assigned to TNCI.¹ In addition, any deposit or prepayment you have paid, if any, will be transferred with your account to TNCI. Although subject to the terms of your current contract you have the option to select another telephone provider, we value your business and we hope that TNCI may continue to serve you. If you should choose another telephone provider you will need to contact that carrier directly to arrange for the change prior to the transfer of your services to TNCI and also provide TNCI with notice per existing service terms. We note that it can take several weeks for a new carrier to make the switch and you may also incur service initiation fees from that provider such as service order, installation and other similar charges associated with establishing a new service account.

Our mission is to provide superior products and services to our customers. We want to thank you for your continued support. Until your transfer to TNCI is complete, please contact your current Pac-West customer service department toll-free at 1-877-626-4325 if you have any questions regarding your current services or invoices. If you would like more information about the transaction or have questions concerning your services or invoices upon completion of your transfer to TNCI, please call TNCI's customer service department toll-free at 800-800-8400.

TNCI looks forward to serving you.

Sincerely,

Jeff Compton
President & Chief Executive Officer

nWire, LLC

¹ If you have previously arranged for a preferred carrier "freeze," TNCI will suspend that freeze in order to make the transfer and reinstate it upon completion of a transfer to TNCI. If you have selected an alternate local telephone provider prior to a transfer to TNCI, you will need to have that provider reinstate your preferred carrier freeze.
