STIPULATION AND SETTLEMENT AGREEMENT

Global Connection Inc. of America dba STAND UP WIRELESS ("Stand Up Wireless" or the "Company"), the Division of Public Utilities ("DPU"), and the Office of Consumer Services ("OCS") (collectively the "Stipulating Parties" or the "Parties"), through their undersigned representatives, enter into this Stipulation and Settlement Agreement ("Stipulation") regarding the Petition filed by Stand Up Wireless in the instant docket. The Parties submit this Stipulation for approval by the Public Service Commission of Utah (the "Commission" or the "PSC") pursuant to the Commission's Rules of Practice and Procedure, r.746-100-10.

PRELIMINARY STATEMENT

1. On May 8, 1997, the Federal Communications Commission ("FCC") issued its Universal Service Report and Order, 12 FCC Rcd 8776 (1997) ("Universal Service Order") implementing the Communications Act of 1934, as amended by the Telecommunications Act of 1996 (the "Federal Act"). The FCC provided further guidance on Eligible Telecommunications Carrier ("ETC") designation in its Lifeline and Link Up Reform Order released February 6, 2012, Federal-State Joint Board on Universal Service, WC Docket No. 11-42, WC Docket No.

03-109, CC Docket No. 96-45, WC Docket No. 12-23, Report and Order and Further Notice of Proposed Rulemaking, FCC 12-11.¹

2. The Universal Service Order provides that only ETCs designated by a state public utilities commission (“State Commission”) shall receive federal universal service support. Under 47 U.S.C. § 214(e), a State Commission shall, upon its own motion or upon request, designate a common carrier that meets the requirements set forth by the FCC as an ETC for a service area designated by the State Commission. The FCC defines a service area as a geographic area established by a State Commission for the purpose of determining universal service obligations and support mechanisms.

3. To be designated as a federal ETC under the Federal Act, a carrier must: (1) be a common carrier; (2) demonstrate an intent and ability to provide the supported services set forth in 47 C.F.R. § 54.101(a) throughout its designated service areas; and (3) demonstrate an intent and ability to advertise its universal service offerings and the charges therefore, using media of general distribution. 47 U.S.C. § 214(e); Universal Service Order, 12 FCC Rcd at 8791.

4. The FCC's supported services set forth in 47 C.F.R. § 54.101(a) are:
- a. voice grade access to the public switched telephone network or its functional equivalent;
 - b. minutes of use for local service provided at no additional charge to end users;
 - c. access to the emergency services provided by local government or other public safety organizations, such as 911 and enhanced 911, to the extent

Feb. 6, 2012) (“Lifeline and Link Up Reform Order”).

the local government in an eligible carrier's service area has implemented 911 or enhanced 911 systems; and

d. toll limitation services to qualifying low-income consumers.

5. In areas served by a rural telephone company, 47 U.S.C. § 214(e)(2) further requires the Commission to determine that the designation of an additional ETC is in the public interest.

6. On October 1, 2013, Stand Up Wireless filed a Petition seeking Designation as an ETC in the State of Utah ("Petition"), Docket Number 13-2432-01. Stand Up Wireless seeks designation throughout Sprint PCS' and Verizon Wireless' coverage area, as identified by wire centers in Exhibit 5 to the Petition.

7. Stand Up Wireless, the DPU, and the OCS engaged in settlement discussions in an attempt to resolve any differences regarding issues raised by the Petition.

8. The Parties have now reached agreement on the issues raised in this docket, as set forth herein. The Parties agree this Stipulation should have no legal effect outside of the instant docket.

AGREEMENT

WHEREFORE, based on their review of all discovery, testimony and exhibits submitted and upon their settlement discussions, the Parties hereby stipulate and agree as follows:

1. Stand Up Wireless is a wireless reseller of the Sprint PCS and Verizon Wireless networks.

2. Stand Up Wireless seeks ETC designation for the limited purpose of providing universal service low-income Lifeline service in Utah. Stand Up Wireless will not be seeking

universal service high-cost support in its service area, nor will Stand Up Wireless seek to provide universal service low-income Link Up service.

3. Stand Up Wireless' Lifeline program furthers the statutory goal that basic service be available and affordable to all citizens of the state of Utah.

4. Stand Up Wireless' Lifeline product offering will offer an additional choice of providers offering service for low-income consumers, which represents a benefit for those consumers and is in the public interest.

5. Stand Up Wireless is a commercial mobile radio service ("CMRS") provider, and a common carrier as defined by 47 U.S.C. § 332(c)(1)(A).

6. Stand Up Wireless provides each of the supported services set forth in 47 C.F.R. § 54.101(a) and it has shown an intent and ability to offer those services once designated throughout its requested service areas.²

7. Stand Up Wireless submitted its Compliance Plan to the FCC outlining the measures it will take to implement the conditions imposed by the FCC.³ The FCC approved the Company's Compliance Plan, as amended, on May 25, 2012.

8. Stand Up Wireless will make available Lifeline service to qualifying low-income consumers. Stand Up Wireless will not offer Link Up to qualifying low-income consumers.

9. Stand Up Wireless shall make available two (2) different Lifeline plans at no cost, equivalent to 100 free voice minutes and 100 free text messages, or 250 free minutes to be used interchangeably for voice and text, in addition to allowing consumers to alternatively apply their

² With respect to toll limitation, in its Lifeline and Link Up Reform Order, the FCC stated that toll limitation would no longer be deemed a supported service in the case of ETCs. See Lifeline and Link Up Reform Order at ¶¶ 49 and 367. Nonetheless, the Company's offerings inherently allow Lifeline subscribers to control their usage because of the prepaid nature of Stand Up Wireless' Lifeline plans. Stand Up Wireless' service is not offered on a distance-sensitive basis and local and domestic long distance minutes are treated the same. The nature of Stand Up Wireless' service and plans act as a toll limitation. Stand Up Wireless will not seek reimbursement for toll limitation service.

³ See Lifeline and Link Up Reform Order.

Lifeline discount to the Company's retail rate plans (currently a 500-Minute, 1000-Minute, or Unlimited Minute plan). Stand Up Wireless agrees that it will seek the \$9.25 federal reimbursement from the Universal Service Administrative Company ("USAC").

10. The Parties stipulate and agree that designating Stand Up Wireless as an ETC in the wire centers set forth in Exhibit 5 to the Petition serves the public interest, convenience and necessity, as defined in 47 U.S.C. § 214(e)(2).

11. The Parties stipulate and agree that Stand Up Wireless shall provide its ETC Lifeline universal service offerings in Utah pursuant to this Stipulation (including attachments). The Parties recommend that Stand Up Wireless' provision of its universal service offering as an ETC be governed by the following additional requirements:

- A. Stand Up Wireless will use a Utah-specific fact sheet that provides customers concise and complete information about the services they will receive. Such fact sheet is attached hereto as Attachment 1. Stand Up Wireless agrees to promptly update the fact sheet anytime it changes its Utah Lifeline program offerings.
- B. Stand Up Wireless is not currently seeking any Utah USF funding.
- C. If Stand Up Wireless seeks Utah USF funding in the future, Stand Up Wireless will file a separate application requesting such state support.
- D. Stand Up Wireless will comply with all state service quality and consumer protection requirements.
- E. Stand Up Wireless acknowledges that approval of the Petition will be conditioned upon the verified payment of all applicable state and local regulatory fees, including, but not limited to, universal service fees, emergency services, and relay services.

- F. Stand Up Wireless agrees to adopt any changes to the certification and verification process developed within Docket No. 10-2528-01.
- G. Stand Up Wireless meets the requirements for federal ETC designation.
- H. Upon implementing any changes to its Lifeline offerings, Stand Up Wireless will timely file a notice with the DPU and OCS describing the changed plans.

GENERAL PROVISIONS

1. The Parties stipulate to the admission into evidence in this docket of Stand Up Wireless' Petition and pre-filed Testimony and Exhibits. This stipulation to the admission of the Testimony does not represent an agreement by the Parties as to any positions taken in such Testimony.

2. Not all Parties agree that each aspect of this Stipulation is warranted or supportable in isolation. Utah Code Ann. § 54-7-1 (2013) authorizes the Commission to approve a settlement so long as the settlement is just and reasonable in result. While the Parties are not able to agree that each specific component of this Stipulation is just and reasonable in isolation, all of the Parties agree that this Stipulation as a whole is just and reasonable in result and in the public interest.

3. All negotiations related to this Stipulation are confidential, and no Party shall be bound by any position asserted in negotiations. Except as expressly provided in this Stipulation, and in accordance with Utah Admin. Code r.746-100-10.F.5, neither the execution of this Stipulation nor the order adopting it shall be deemed to constitute an admission or acknowledgment by any Party of the validity or invalidity of any principle; nor shall they be construed to constitute the basis of an estoppel or waiver by any Party; nor shall

they be introduced or used as evidence for any other purpose in a future proceeding by any Party except in a proceeding to enforce this Stipulation.

4. The Parties agree that no part of this Stipulation or the formulae and methods used in developing the same or a Commission order approving the same shall in any manner be argued or considered as precedential in any future case except with regard to issues expressly called-out and resolved by this Stipulation. This Stipulation does not resolve and does not provide any inferences regarding, and the Parties are free to take any position with respect to, any issues not specifically called-out and settled herein.

5. The Parties request that the Commission hold a hearing on this Stipulation. The Parties shall support the Commission's approval of this Stipulation. As applied to the DPU and the OCS, the explanation and support shall be consistent with their statutory authority and responsibility.

6. The Parties agree that if any person challenges the approval of this Stipulation or requests rehearing or reconsideration of any order of the Commission approving this Stipulation, each Party will use its best efforts to support the terms and conditions of this Stipulation. As applied to the DPU and the OCS, the phrase "use its best efforts" means that they shall do so in a manner consistent with their statutory authority and responsibility. In the event any person seeks judicial review of a Commission order approving this Stipulation, no Party shall take a position in that judicial review proceeding in opposition to the Stipulation.

7. Except with regard to the obligations of the Parties under the four (4) immediately preceding paragraphs of this Stipulation, this Stipulation shall not be final and binding on the Parties until it has been approved without material change or condition by the Commission.

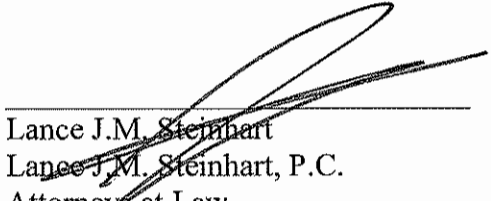

8. This Stipulation is an integrated whole, and any Party may withdraw from it if it is not approved without material change or condition by the Commission or if the Commission's approval is rejected or materially conditioned by a reviewing court. If the Commission rejects any part of this Stipulation or imposes any material change or condition on approval of this Stipulation or if the Commission's approval of this Stipulation is rejected or materially conditioned by a reviewing court, the Parties agree to meet and discuss the applicable Commission or court order within five (5) business days of its issuance and to attempt in good faith to determine if they are willing to modify the Stipulation consistent with the order. No Party shall withdraw from the Stipulation prior to complying with the foregoing sentence. If any Party withdraws from the Stipulation, any Party retains the right to seek additional procedures before the Commission, including presentation of testimony and cross-examination of witnesses, with respect to issues resolved by the Stipulation, and no party shall be bound or prejudiced by the terms and conditions of the Stipulation.

9. This Stipulation may be executed by individual Parties through two (2) or more separate, conformed copies, the aggregate of which will be considered as an integrated instrument.

WHEREFORE, the Parties respectfully submit this Stipulation and Settlement Agreement for approval by the Commission and request that the Commission grant such approval.
