21 THE WITNESS: Thank you.	
22 MR. JETTER: And Justin Jetter representing Utah	
23 Division of Public Utilities. And with me is Casey Coleman, a	
24 utility technical consultant with the Division of Public Utilities.	
25 THE HEARING OFFICER: Thank you.	

	Hearing Proceedings 04/15/14
1	MR. BRENT COLEMAN: Brent Coleman for the
2	Office of Consumer Services. With me is Cheryl Murray.
3	THE HEARING OFFICER: Thank you, once again,
4	all of you for being here this morning. We will start bysince
5	this is the obligation of Tempo Telecom, we'll start with the
6	Company. Mr. Evans.
7	MR. EVANS: Thank you. We're here on a
8	stipulation. And I think it might help if you have on the record
9	how we got to where we are today and some details about how
10	this has evolved. Tempo filed its petition for designation as an
11	eligible telecommunications carrier, which we will abbreviate as
12	ETC for the purposes of our hearing this morning in Utah.
13	We were served some data request by the Office of
14	Consumer Services to which we have responded. There was
15	some follow-up that the Office had. And the parties met live in
16	a telephone conference to discuss some of the Office's
17	concerns, primarily dealing with Utah specific requirements for
18	offering ETC services in the State of Utah.
19	On April 7, we entered into a stipulation and
20	settlement agreement that is before the Commission today and
21	for which we're seeking approval. And it stipulates very briefly
22	that Tempo has met the requirements under the Federal Act for
23	Designation as an ETC, that it will implement its FCC approved
24	compliance plan in the State of Utah, and also will meet certain
25	requirements that are in the stipulation that are unique to Utah,

	Hearing Proceedings 04/15/14 6	3
1	and that we can discuss more if you would like. Those are the	
2	same requirements that have been imposed on previously ETCs,	
3	the most recent being Stand Up Wireless's stipulation is very	
4	similar to that one.	
5	We're here on hearing of the stipulation. Tempo	
6	appreciates the cooperation of the Office and the Division in	
7	arriving at this stipulation and is prepared to comply with its	
8	requirements. The record contains several filings subsequent to	
9	the filing of the petition that our witness is prepared to address,	
10	if you would like. And I think it would be helpful to go through	
11	some of that this morning. So, if you're ready, we can call Mr.	
12	Sark and ask him a few questions.	
13	THE HEARING OFFICER: Absolutely, Mr. Evans.	
14	Mr. Sark, are you on the line?	
15	MR. SARK: I am, yes.	
16	THE HEARING OFFICER: Okay. And are you	
17	hearing this okay?	
18	MR. SARK: Yes, I am.	
19	THE HEARING OFFICER: Okay. Are you prepared	
20	to testify at this time?	
21	MR. SARK: I am.	
22	THE HEARING OFFICER: Okay. Could you kindly	
23	raise your right hand, sir?	
24	MR. SARK: Yes.	
25	THE HEARING OFFICER: And do you swear that	

	Hearing Proceedings04/15/147
1	the testimony you're about to give is the truth?
2	MR. SARK: Yes.
3	THE HEARING OFFICER: Thank you.
4	MR. EVANS: Thank you.
5	JAMES SARK, having been first duly sworn, was
6	examined and testified as follows:
7	EXAMINATION
8	BY-MR.EVANS:
9	Q. Good morning, Mr. Sark.
10	A. Good morning.
11	Q. For the record, would you please state your name
12	and business address and your position at Tempo Telecom?
13	A. Yes. I am Jamie Sark, Senior Projects Manager for
14	Tempo. My business address is 140 Gateway Drive, Suite A,
15	Macon, Georgia 31210. And I would also like to state that the
16	regulatory address for Tempo Telecom is 2323 Grand
17	Boulevard, Suite 925, Kansas City, Missouri 64108.
18	Q. And how long have you been in the position of
19	Senior Projects Manager for Tempo?
20	A. Twelve months.
21	Q. Have you reviewed the Tempo Petition for
22	Designation as an ETC in the State of Utah?
23	A. Yes.
24	Q. Are you the person who signed the verification for
25	that petition?

	Hearing Proceedings 04/15/14 8
1	A. Yes.
2	Q. What services does Tempo propose to offer in
3	Utah?
4	A. Tempo seeks ETC designation for the purpose of
5	providing universal service low-income lifeline service in Utah.
6	We will not be seeking universal service high-cost support in the
7	service area, nor will we attempt to seek or provide universal
8	service low-income linkup service.
9	Q. And there was a supplemental filing in this docket
10	on December 16, 2013, which was Tempo's authorization to do
11	business in Utah. Have you reviewed that?
12	A. Yes.
13	Q. And have you also reviewed Tempo's supplemental
14	Exhibit 2 to the petition, which was filed on January 21, 2014,
15	confirming that Tempo's compliance plan is intended to apply in
16	all jurisdictions in which Tempo seeks designation as an ETC?
17	A. Yes.
18	Q. And you understand that that compliance plan will
19	alsois also intended to apply in Utah, correct?
20	A. Yes, I do.
21	Q. Then, on March 24, 2014, Tempo filed an amended
22	Exhibit 7 to the petition in which Tempo reduced the number of
23	exchanges in which Tempo is proposing to provide lifeline
24	service. Is that correct?
25	A. Yes.

	Hearing Proceedings 04/15/14 9
1	Q. Can you explain why Tempo eliminated some
2	exchanges from its proposed service territory?
3	A. Yes. Basically, Tempo relies on Sprint Wireless
4	network infrastructure and their wireless transmission facilities
5	to offer lifeline service in Utah. In certain exchanges, after
6	further review, it was felt that Sprint's geographic coverage was
7	inadequate for our purposes, so that's why we elected not to
8	provide service in those exchanges at this time.
9	Q. Okay. Thank you. Have you reviewed the direct
10	testimony of Gregory Corwin, which was filed on February 12 in
11	this docket?
12	A. Yes.
13	Q. And do you have personal knowledge of the matters
14	set out in Mr. Corwin's direct testimony?
15	A. Yes, I do.
16	Q. So, if I were to ask you, then, whether you are
17	prepared to adopt the statements made in Mr. Corwin's direct
18	testimony as your own, would you be willing to do that?
19	A. Yes.
20	Q. Are there any corrections that ought to be made to
21	that testimony?
22	A. There are just a few changes. In his testimony on
23	lines 25 and 27, we need to make a correction. Where the
24	testimony talks about the proposed Tempo service areas, those
25	statements have since been superseded by the filing of

	Hearing Proceedings 04/15/14	10
1	amended Exhibit 7. So, the statement can be corrected by	
2	replacing line 27 with the words "is found in amended Exhibit 7."	
3	A full reading of that statement would be as follows, lines 25	
4	through 27: "A listing and description of each exchange for	
5	which Tempo is seeking ETC status in Utah is found in amended	
6	Exhibit 7."	
7	The only other change at this time is lines 165 and	
8	166. Tempo has now been granted ETC status in lowa as of	
9	March 20, 2014; Rhode Island as of April 7, 2014; and in	
10	Nevada as of February 2, 2014. And that is basically all the	
11	corrections that are needed.	
12	Q. All right. Thank you. Can you please offer a	
13	summary of why you believe it is in the public interest for Tempo	
14	to become an ETC in the State of Utah for the limited purpose	
15	of providing low-income lifeline service?	
16	A. Yes. Tempo's designation as a lifeline only ETC	
17	will bring increased competitive choice to the qualifying low-	
18	income Utah customers. In our planning efforts and in using the	
19	most recent information available from USAC at the time we	
20	were planning, it was discovered that out of the population in	
21	Utah that is eligible to receive the lifeline benefit, that only 20 to	
22	50 percent of those eligible customers were signed up for the	
23	service. Having Tempo as another option will continue to	
24	increase the customer's awareness of that benefit.	
25	Tempo has also demonstrated a commitment to	
		—

	Hearing Proceedings 04/15/14 11
1	quality and believe that the public interest will be served by
2	offering a comprehensive wireless communications solution to
3	the qualifying customers at no charge.
4	Q. Okay. Thank you. Have you received or are you
5	aware of any opposition from third parties, the public, or anyone
6	else with respect to Tempo's designation as an ETC in Utah?
7	A. No. I have heard of no opposition.
8	Q. Have you reviewed the stipulation and settlement
9	agreement that was entered into among Tempo, the Division of
10	Public Utilities, and the Office of Consumer Services?
11	A. Yes.
12	Q. And are you aware of the additional requirements
13	that are imposed upon Tempo in that stipulation that is
14	additional to your compliance plan?
15	A. Yes.
16	Q. And is Tempo prepared to abide by the terms and
17	conditions of the stipulation?
18	A. Yes. I believe the stipulation reaches a fair and
19	reasonable result. And Tempo is prepared to abide by it.
20	Q. Do you believe the stipulation is in the public
21	interest?
22	A. Yes. Tempo's lifeline productwhat's that?
23	Q. I'm sorry. Go ahead. We just had a little glitch.
24	A. Oh, I heard feedback or something, I think, on the
25	call. Yeah. Tempo's product offering for our lifeline product in

	Hearing Proceedings 04/15/14 12
1	Utah means that the Utah low-income customers will have
2	another choice among lifeline providers.
3	And by stipulating to approval of the petition, the
4	Division and Office can be assured that Tempo will provide a
5	reliable service to those who qualify for it. And we will also
6	meet their expectation through our commitment for service
7	quality. And this will be a significant benefit to Utah consumers
8	and definitely in the public interest.
9	Q. Thank you. One final question, Mr. Sark. You are
10	aware, are you not, that in the stipulation Tempo has agreed to
11	adopt any changes to the certification and verification process
12	developed in Docket No. 10-2528-01. Is that correct?
13	A. Yes.
14	Q. And Tempo is willing to agree to any changes as a
15	result of that docket.
16	A. Yes. Correct.
17	MR. EVANS: Okay. Thank you, Mr. Sark. I have
18	no more questions. If people would like to cross.
19	THE HEARING OFFICER: Mr. Jetter, do you have
20	any questions?
21	MR. JETTER: I just have a quick question to clarify
22	on the record here.
23	THE HEARING OFFICER: Sure.
24	EXAMINATION
25	BY-MR.JETTER:

	Hearing Proceedings 04/15/14	13
1	Q. Mr. Sark, is itit's your understanding	
2	is it correct that it's your understanding at the time that an	
3	agreementthat Tempo is not seeking Utah specific lifeline	
4	funds and would need to file another docket if it were to do so in	I
5	the future? File aexcuse me, correct thatanother petition in	
6	a new docket?	
7	A. Yes. I didn't hear that completely, but I'll answer it	
8	to make sure I got it correct that Tempo is aware that we are not	
9	applying to receive Utah State USF extra funds. And we will	
10	make an amendment at the time we would like to request those	
11	extra State funds.	
12	MR. JETTER: Thank you. That's the only question	
13	l have.	
14	THE HEARING OFFICER: Mr. Coleman?	
15	MR. BRENT COLEMAN: Nothing from the Office.	
16	Thank you.	
17	THE HEARING OFFICER: Okay. Thank you for	
18	your testimony today, Mr. Sark. Just one question, please, from	ı
19	the Commission.	
20	EXAMINATION	
21	BY-THE HEARING OFFICER:	
22	Q. Your testimony was that the stipulation and	
23	settlement agreement, taken as a whole in your words, is fair	
24	and reasonable in result. Our statute requires that the	
25	stipulation be just and reasonable in result. And although that	

	Hearing Proceedings 04/15/14	14
1	may be just a difference in semantics, it would be helpful to	
2	make sure we have the proper nomenclature on the record. So,	
3	is it your testimony that the stipulation agreement with Tempo	
4	Telecom in this docket is fairexcuse meis just and	
5	reasonable in result?	
6	A. Yes.	
7	THE HEARING OFFICER: Okay. Thank you. Any	
8	follow-up questions?	
9	MR. EVANS: No follow-up, but we would submit the	
10	testimony and exhibits for receiving in the record.	
11	THE HEARING OFFICER: Okay. Any objection?	
12	Hearing no objection, they are received.	
13	MR. EVANS: Thank you.	
14	THE HEARING OFFICER: Thank you.	
15	Mr. Sark, thank you again for your testimony.	
16	You're welcome to hold the line. I might ask if you have the	
17	ability to push a mute button. It might be helpful just on our end	
18	so we're not getting any feedback noise.	
19	MR. SARK: All right. Thank you, as well. And I	
20	will push the mute button.	
21	THE HEARING OFFICER: Thank you. Mr. Jetter.	
22	MR. JETTER: Thank you. The Division would like	
23	to call Casey Coleman as our witness.	
24	THE HEARING OFFICER: Good morning, Mr.	
25	Coleman.	

	Hearing Proceedings 04/15/14 15
1	MR. CASEY COLEMAN: Morning.
2	THE HEARING OFFICER: Would you kindly raise

4	about to give is the truth?
5	MR. CASEY COLEMAN: Yes.
6	CASEY J. COLEMAN, having been first duly sworn,
7	was examined and testified as follows:
8	EXAMINATION
9	BY-MR.JETTER:
10	Q. Mr. Coleman, would you please state your name
11	and occupation for the record?
12	A. My name is Casey J. Coleman. I'm the
13	occupation's technical consultant for the Division of Public
14	Utilities.
15	Q. Mr. Coleman, have you reviewed the petition filed
16	by Tempo Telecom as well as the testimony and other filings
17	and exhibits filed by Tempo Telecom?
18	A. Yes.
19	Q. And did you create and cause to be filed two
20	memorandums from the Division of Public Utilities, dated
21	January 6 and January 17, 2014?
22	A. Yes, I did.
23	Q. And do you have any corrections or updates you

## Hearing Proceedings 04/15/14

	Hearing Proceedings 04/15/14	21
1	Hearing none, the record will so reflect that.	
2	I also wish to note although the stipulation does	
3	mention it, we do have an open docket, as I believe most	
4	everyone here knows, in Docket 10-2528-01. This is not a	
5	hearing or a matter concerning that docket, but I do wish to note	
6	that in the event that Tempo Telecom is not already a part of	
7	that docket or wishes to be a part of that docket, that they can	
8	notify our front office and be on the mailing list for any matters	
9	involving that docket. So, if Mr. Sark or Mr. Sark's counsel	
10	would like to do that, that is certainly an option.	
11	And based on our statute, which has been met	
12	based on the testimony this morning, the order will issue	
13	granting the ETC requested. And if you'll just give us a little bit	
14	of time to get that drafted. And I want to thank you very much	
15	for your time and assistance this morning and for bringing this	
16	to the Commission. As you know, the Commission greatly	
17	appreciates it when things do settle. And even when they don't,	
18	we're happy to hear things. So, thank you very much and have	
19	a very pleasant day.	
20	MR. EVANS: Thank you.
