Re: AT&T Inc.'s Acquisition of LEAP Wireless International Inc., and Cricket Communications Inc.

Dear Mr. Widenburg:

I am writing on behalf of AT&T Inc., to advise you that AT&T Inc.'s acquisition of Leap Wireless International, Inc. (LEAP), and the LEAP subsidiary company, Cricket Communications, Inc. (Cricket), received Federal Communications Commission approval on Thursday, March 13, 2014, and formally closed on that day. As a result of the acquisition, Cricket is now a subsidiary company of AT&T Inc.

As you may be aware, Cricket was designated as an eligible telecommunications carrier (ETC) by the Commission for the purpose of receiving federal low-income program (Lifeline) universal service support in Docket No. 12-2551-01. We are in the process of updating Cricket's registration to reflect its new corporate ownership and other relevant information. Other than the change in ownership, Cricket's operations in the state of Utah remain unchanged for the immediate future.

Please consider this letter as notice to the Commission of the change in ownership involving Cricket, and feel free to contact me should you have any questions or concerns.

Sincerely,

John D Sisemore
AT&T Inc.
