*Re: Advice Letter--All West Communications, Inc. /Tariff Filing
Docket No. 14-2180-T02*

To the Commission:

In accordance with R746-405 of the Public Service Commission's Rules, All West Communications, Inc. ("All West") hereby files the original and five (5) copies of the following Revised Tariff Sheet of All West Communications, Inc. P.S.C.U. No. 1 Access Service Tariff on file with the Commission:

1. 9th Revised Sheet No. 208, canceling 8th Revised Sheet No. 208

This filing changes the text describing in the Switched Access Service End Office Information Surcharge Originating Rate. On May 30, 2014, All West filed an Advice Letter and proposed 8th Revised Tariff Sheet No. 208. In that filing, All West indicated that with regard to the Switched Access Service End Office Information Originating Rate, a change in the text from "Per 100 Access Minute" to "Per Access Minute" was necessary because upon reviewing the intrastate rates with NECA, All West discovered that the Switched Access Service End Office Information Rate should be "per access minute" rather than "per 100 access minutes." This was in error.

Since implementing the 8th Revised Sheet No. 208, All West's Switched Access Service End Office Information Surcharge Originating Rate, All West experienced a 100 times increase in its Switched Access Service End Office Information Surcharge Originating Rate, which was not intended. Upon further review of this matter, All West has determined that it's Switched Access Service End Office Information Surcharge Originating Rate should, in fact, be billed "Per

100 Access Minutes.” Additionally, All West has included the word “Surcharge” in the description of the rate to more properly identify the rate. Therefore, All West is requesting the Commission’s immediate approval of the 9th Revised Sheet No. 208, canceling 8th Revised Sheet No. 208. All West is also requesting an effective date of July 1, 2014, since the change contained in the 8th Revised Sheet No. 208 resulted in an inadvertent rate increase which All West did not, and does not, intend to impose.

Commission approval of the 9th Revised Sheet No. 208, canceling 8th Revised Sheet No. 208 with an effective date of July 1, 2014, will restore the rate that was inadvertently increased.
