Re: In the Matter of the Notification of Onvoy, LLC Regarding its Conversion and Resulting Name Change and the Proposed *Pro Forma* Transfer of Direct Ownership, Docket 14-2546-01

RECOMMENDATION (Acknowledgement):

The Division of Public Utilities (“Division”) recommends that the Public Service Commission (“Commission”) acknowledge the name change from Onvoy, Inc. to Onvoy, LLC, and the Pro-Forma Transfer of Direct Ownership from Zayo Group Holdings to Communications Infrastructure Investments, LLC, the parent company of Zayo Group Holdings.

EXPLANATION:

On or about June 10, 2014, Onvoy, Inc. filed a notice with the Commission indicating their company has changed their name from Onvoy, Inc. to Onvoy, LLC.

In the same notice filed with the Commission, Onvoy has given notice to a Pro-Forma transfer of Direct Ownership from Zayo Group Holdings to Communications Infrastructure Investments, LLC. Communications Infrastructure Investments, LLC is the parent company of Zayo Group Holdings.

Onvoy states that the name change and Pro-Forma transfer of Direct Ownership will not effect their customers in any way. Additional, Onvoy states that the transfer of ownership is in the

public interest as it will “realign the corporate structure of CII and its operating entities to better reflect the differences in their business plans, management, and operations. This will allow those operating entities to be able to better focus on their particular business and customers without as much potential for conflicting priorities between the businesses”.

The Division has reviewed the company’s filing and recommends that the Commission acknowledge the name change from Onvoy, Inc. to Onvoy, LLC, and the Pro-Forma Transfer of Direct Ownership from Zayo Group Holdings to Communications Infrastructure Investments, LLC, the parent company of Zayo Group Holdings.
