Re: In the Matter of the Application of Wide Voice, LLC for a Certificate of Public Convenience and Necessity to Provide Resold and Facilities-Based Local Exchange Services within the State of Utah, Docket Number 14-2572-01.

RECOMMENDATION (Approve):

The Division of Public Utilities (“Division”) has reviewed the technical, managerial, and financial abilities of the Wide Voice, LLC (“Wide Voice” or “Applicant”) and has found that they have provided the necessary information to fulfill the requirements as stated in the existing Public Service Commission (“Commission”) rules. The Division believes that the public interest will be promoted by recommending that the Commission allow the Wide Voice a Certificate of Public Convenience and Necessity (“CPCN”) as requested under the same terms and conditions allowed in other CPCNs.

The Division also recommends that the \$100,000 bond be waived on the basis that the Applicant will not require customer deposits or prepayments of any kind.

The Division expects that based on history that a filing of this type and with the information submitted by the company there will be no objections or opposition to this recommendation. Therefore, the Division request that this docket be adjudicated informally in accordance with R746-110-1.

EXPLANATION:

On or about April 25, 2014, Wide Voice filed an application for a CPCN; the Division reviewed the application and found the following:

Wide Voice, LLC is a registered foreign corporation with the State of Utah; with its corporate headquarters located at 410 South Rampart, Suite 390, Las Vegas, NV. 89145. Their business entity number is 8813787-0161 and are currently in good standing.

The Applicant seeks statewide authority except within exchange areas with less than 5,000 access lines that are owned or controlled by an ILEC with fewer than 30,000 total access lines in accordance with Utah Code Ann. 5 54-8b-2.1 (3) and (4). Specifically, The Applicant seeks authority as a reseller local exchange services in the service areas of CenturyLink Communications, Inc. and any other existing or future LECs providing service in Utah.

The Applicant intends to provide a full range of telecommunications services to business and residential customers in the incumbent, CenturyLink exchanges statewide in Utah, consistent with the exchange maps CenturyLink has on file with the Commission.

Wide Voice, LLC does not plan to construct any facilities in the state. The Applicant intends to use the local loops and other existing network facilities where prudent of the local exchange incumbent provider.

The Applicant intends to commence negotiations with CenturyLink Communications for an interconnection/commercial agreement immediately upon receiving approval from the Public Service Commission of Utah to operate as a local exchange telecommunications service provider in the State of Utah.

Wide Voice will provide access to IntraLATA and InterLATA toll, operator services, directory assistance, directory listings, and emergency services such as 911 and E911 through either facilities-based interconnection or resale services purchased directly from the ILEC.

Summaries of professional experience and education of its managerial personnel demonstrate that the Applicant has considerable experience in the telecommunications industry.

According to financial statements attested to be accurate, objective and with integrity by Patrick Chicas, President and Chief Executive Officer, of Wide Voice, LLC the Applicant has a positive net worth and has ample working capital.

The Applicant requests that the \$100,000 bond requirement be waived because it will not require customer deposits or prepayments of any kind.

The Applicant is currently authorized to provide local exchange telecommunications services in California, Connecticut, Florida, Indiana, Kentucky, Maine, Montana, Nevada, New Hampshire, New York, North Dakota, Oregon, Pennsylvania, Rhode Island, Texas, and Washington.

The Applicant claims that it has never had any complaints nor has any investigation been undertaken against it or any of its affiliates involving unauthorized switching (slamming) or any other illegal activities. The Applicant also states that it has implemented policies and procedures concerning solicitation of new customers.

The Applicant asserts that approval of its application will serve the public interest creating and enhancing competition and expanding customer service options. Additionally, the approval of this application will expand the availability of innovative, high quality, reliable and competitively-priced telecommunications services in the State of Utah.
