HAND DELIVERED

Public Service Commission of Utah  
Heber M. Wells Building  
160 East 300 South  
Salt Lake City, Utah 84111

Re: Advice Letter—UBTA-UBET Communications Inc. /Tariff Filing  
Docket No. 15-053-T01

To the Commission:

In accordance with R746-405 of the Public Service Commission's Rules, UBTA-UBET Communications Inc. ("UBTA-UBET") hereby files the original and five (5) copies of the following Revised Tariff Sheet of UBTA-UBET Communications Inc. Exchange Carriers of Utah P.S.C.U. No. 1 Access Service Tariff on file with the Commission (together with mark-ups as required by R746-405-2.D.6):

1. 4<sup>th</sup> Revised Sheet No. 3.3, canceling 3<sup>rd</sup> Revised Sheet No. 3.3; and
2. 6<sup>th</sup> Revised Sheet No. 234.1, canceling 5<sup>th</sup> Revised Sheet No. 234.1.

This filing makes the following changes:

1. Decreases UBTA-UBET's Switched Access Service End Office Local Switching Terminating Premium Access Rate from \$0.024091 to \$0.013975.

This filing is made in compliance with the Federal Communication Commission's (FCC) Title 47: Telecommunication; Part 51-Interconnection; Subpart J-Transitional Access Service Pricing; §51.909 Transition of rate-of-return carrier access charges; Step 4.

FCC rules require National Exchange Carrier Association ("NECA") members companies to adjust their capped interstate switched access rates for July 1, 2015. NECA has informed its member companies that pool election changes for the upcoming tariff year will

increase rates. Around June 15, 2015 NECA filed with the FCC modified rates for interstate, intrastate terminating access rates (which will be in parity with interstate rates) and the required end office element rate step-down in accordance with FCC WC Docket No. 15-75.

As a result, NECA has adjusted both interstate and intrastate switched access rate levels for those companies with intrastate rates at parity with interstate rates and recalculated the end office rate step down and interstate switched access revenue for test period 2015-16 in the CAF ICC data collection.

Other than noted above, this filing will not increase any rate or charge, cause the withdrawal of service, or conflict with other Tariff sections.

Pursuant to R746-405-2.E(3) UBTA-UBET requests an effective date for this filing of July 1, 2015, which is earlier than the thirty day notice period because July 1, 2015 is the deadline imposed by FCC Rules. If you have any questions concerning the above, please contact me at your convenience.

Very truly yours,

BLACKBURN & STOLL, LC
