RE: Notice of Errata
Docket No. 15-2302-01, In the Matter of Carbon/Emery Telcom, Inc.'s Application for
Utah Universal Service Fund Support.

Dear Mr. Widerburg:

On September 21, 2015, the Public Service Commission of Utah (Commission) granted a joint motion where the Office agreed to strike "Adjustment BCO-1: Allocate Fiber/Internet-Related Costs from Carbon to Nonregulated Operations" (BCO-1) from the record. On December 17, 2015, the Office of Consumer Services (Office) submitted revised direct testimony and surrebuttal testimony with exhibits to comply with the Commission's order. The Office became aware today that column G of the original surrebuttal exhibit OCS Exhibit 1S-1, Schedule A-1 referenced numbers from the original direct testimony that contained BCO-1. The revised OCS Exhibit 1S-1, Schedule A-1 removes column G which contained the BCO-1 information. Removal of column G does not change the Office's surrebuttal position.

The Office hereby files a substitute revised surrebuttal OCS Exhibit 1S-1, Schedule A-1. The confidential information is correctly highlighted in the confidential version and is correctly redacted in the public version. Further, the Office hereby files an updated Exhibit List containing the revised surrebuttal exhibit.

If you have any questions, please contact me at 801-530-6624.

Sincerely,

Danny A.C. Martinez
