RE: Notice of Name Change and Initiation of iVoIP and CMRS

Dear Mr. Widerburg:

Preferred Long Distance, Inc. ("Preferred") hereby notifies the Utah Public Service Commission ("Commission") of the Preferred's adoption of two fictitious names associated with its provision of wireline telecommunications services in Utah, beginning on or about October 1, 2015. Preferred further provides the Commission with courtesy notification of the Company's initiation of nomadic, interconnected Voice over Internet Protocol ("iVoIP") service and Commercial Mobile Radio Service ("CMRS").

Preferred currently maintains authority to provide wireline local exchange telecommunications services in Utah¹ and notified the Commission of its provision of non-facilities-based interexchange service in Utah. The Company is now separately planning to initiate the provision of nomadic iVoIP service and CMRS in Utah and elsewhere.² To distinguish between services, Preferred has adopted four fictitious names: "Telplex Communications," "Telplex," "Ringplanet Communications," and "Ringplanet." A copy of the Company's *Certificate of Registration* with the State of Utah Department of Commerce Division of Corporations & Commercial Code for each of the assumed names is attached as evidence of name registration.

¹ See *Report and Order*, Docket No. 05-2450-01 (March 9, 2005).

² It is Preferred's understanding that no additional authority is required for Preferred to initiate its provision of CMRS or iVoIP service. The Company takes this opportunity to advise the Commission of the Company's intent to introduce these services.

Current and new retail³ local exchange and/or interexchange telecommunications service subscribers and subscribers that presubscribe to the Company's retail local exchange and/or interexchange telecommunications and CMRS services will be served under the "Preferred Long Distance, Inc. dba Telplex Communications" or shortened "Preferred Long Distance, Inc. dba Telplex" name. Subscribers who do not presubscribe to the Company's retail local exchange and/or interexchange telecommunications services but presubscribe to the Company's CMRS and/or iVoIP service, will be served under the "Preferred Long Distance, Inc. dba Ringplanet Communications" or shortened "Preferred Long Distance, Inc. dba Ringplanet" name.

The Company's ownership and control remain unchanged. Company operations and contact information of record with the Commission also remain unchanged. Notification of trade name assumption has been sent to current subscribers of record. The Company's retail tariff will be amended to reflect the assumed names associated with its retail wireline services at such time as the Company amends service rates, terms, and conditions.

Thank you for your attention to this matter. Questions may be directed to the undersigned.

Sincerely,

MILLER ISAR, INC.
