Assets

Dear Mr. Widerburg:

NovaTel Ltd., Inc. (“NovaTel”) and X5 OpCo LLC (“X5 OpCo”) (jointly “the Companies”), hereby notify the Utah Public Service Commission (“Commission”) that X5 OpCo is acquiring certain Utah assets, including subscribers, of NovaTel, through a mutually negotiated Asset Purchase Agreement (“Transaction”).¹ As a result of the Transaction, NovaTel Utah commercial interexchange subscribers² and other assets will be transferred to X5 OpCo. NovaTel will cease to provide telecommunications services in Utah following the transfer

I. Description of the Parties.

X5 OpCo LLC. (Transferee) X5 OpCo is a limited liability company formed under the laws of the State of Delaware in 2014. X5 is a wholly owned subsidiary of X5 Holdings LLC (“X5 Holdings”) which, in turn, is majority owned and controlled by NewSpring Holdings LLC (“NewSpring”). NewSpring is a limited liability company organized under the laws of the State of Delaware. NewSpring is a private equity fund that seeks to partner with successful business owners and management teams to grow profitable businesses. X5 OpCo maintains authority to provide domestic interstate interexchange and international telecommunications. X5 OpCo is

¹ It is the Companies understanding that prior Commission action is not required for the Companies to complete the Transaction. The Companies submit this notice for the Commission’s information.

² NovaTel does not provide local exchange service and does not service residential subscribers.

authorized to provide telecommunications services in Utah under Docket No. 15-2580-01.

NovaTel Ltd., Inc. (Transferor) NovaTel is a corporation organized under the laws of the State of Texas in 2007 when converted from a limited partnership originally formed in 2000. NovaTel is a provider of regulated time division multiplex interexchange voice, network services including unregulated Ethernet, unregulated MPLS/VPN, and regulated dedicated, non-switched, private line services. NovaTel provides intrastate, interstate, and international non-facilities-based switched and dedicated interexchange telecommunications services. NovaTel operates as a non-jurisdictional, non-facilities-based interexchange reseller in Utah.

II. Description of the Transaction.

On October 13, 2015, NovaTel and X5 OpCo entered into an Asset Purchase Agreement (“Agreement”) whereby NovaTel agreed to sell, and X5 OpCo agreed to acquire, certain NovaTel assets including interexchange subscribers located in Utah and other jurisdictions served by the NovaTel. Under the terms of the Agreement, X5 OpCo is to provide transferred NovaTel subscribers the same services under the same rates, terms and conditions provided by NovaTel. The Transaction becomes effective on or about December 15, 2015, or following regulatory approvals where required. NovaTel has made an affirmative business decision to cease the provision of telecommunications services following the consummation of the Agreement and requisite regulatory approvals. NovaTel requests that its current Utah registration be cancelled at that time.

III. Customer Notification.

NovaTel and X5 OpCo are providing customers with more than 30 days advanced notice of the transfer pursuant to Section 64.1120(e) of the FCC’s rules, 47 C.F.R. §64.1120(e). Notification of the transaction has also been provided to the FCC pursuant to 47 C.F.R. §64.1120(e). A copy of the draft notification letter is attached as Attachment 1.

V. Public Interest Considerations.

The proposed assignment of NovaTel's assets to X5 OpCo serves the public interest and will cause no offsetting public interest harms. The Transaction will provide additional capitalization needed to expand services and operations, and enhance the company's ability to provide competitive telecommunications services to the public. Further, broad management experience will enable X5 OpCo to explore new innovative service opportunities and provide added value to subscribers. The proposed assignment does not raise any competitive concerns. The only impact of the proposed transaction is that NovaTel's business will obtain access to increased resources that will result in a stronger, more capable and robust company, capable of pursuing additional opportunities.

The Transaction will be entirely transparent to subscribers and customers. The Transaction will not result in any immediate change in service rates, terms, and conditions, and will not result in the discontinuance, reduction, loss, or impairment of service to subscribers or customers.

Thank you for your attention to this matter. Questions may be directed to the undersigned.

Respectfully submitted,

MILLER ISAR, INC.
