

RATES

A. With this service the Subscriber gets an Emergency Line that provides a residential one-party access line with certain limitations. The line will not have a directory listing. The line will allow outgoing calls as described above with limited incoming calls (limited to 500 minutes of free incoming usage).

In addition, during a 180-day introductory period by the customer, all applicable nonrecurring charges will be waived.

B. Monthly Service Line Rate (includes 10 minutes of free outgoing service usage) ~~\$10~~18.00 (ELS-

C. If the local usage exceeds the monthly allowance, the customer will be billed for measured service as follows:

(1) The timing of messages is calculated in thirty (30) second increments after the first minute of use.

(2) The following usage rate applies in addition to the to the service line rate.

Residence – rate per minute \$0.10 (MELS-R)
