Re: Docket No. 16-040-T01, In the Matter of Central Utah Telephone, Inc.'s Proposed Tariff Revisions

Dear Ms. Slawson,

The Commission has reviewed the proposed tariff sheet revisions filed May 25, 2016 in Docket No. 16-040-T01 entitled above.

The Division of Public Utilities reviewed the proposed tariff sheet revisions and, on May 27, 2016, recommended that the Commission approve the tariff sheets as filed.

The Commission approves the proposed tariff sheet revisions as filed with an effective date of June 1, 2016.

Please note that the revised rates, which conform to the Commission's Affordable Base Rate, are permitted to be inclusive of mandatory extended area service fees, state subscriber line fees, and state universal service charges, as applicable. If you intend the revised rates to be inclusive, you are directed to submit a compliance filing in this docket to itemize the fees and charges that sum to the Affordable Base Rate.

Sincerely,

/s/ Gary L. Widerburg  
Commission Secretary
