Dear Public Service Commission,

I hope you are enjoying the spring weather. I have been finally contacted by Century Link, we are in a discussion at the time, I would like to ask the commission to put my complaint on hold for thirty days. This will provide enough time for both parties to resolve the issue.

I am very appreciative of the involvement of the commission in this matter, because without the intervention I was getting no attention from Century Link what so ever.

Thank you

Sincerely,
 Shahid Janjua
