Re: Advice Letter – Beehive Telephone Company, Inc.
Tariff Filing, Docket Nos. 16-051-01 - Corrected

To the Commission:

In accordance with R746-405 of the Commission's Rules, Beehive Telephone Company, Inc. ("Beehive") hereby files the original and five copies of the following Tariff Sheet of Beehive's Local Tariff on file with the Commission:

- Schedule 1, effective June 1, 2016, replacing prior Schedule 1 dated December 1, 2014

The FCC requires participating CAF companies, such as Beehive, to bring their rate levels to the CAF-mandated floor each year as a condition of continued participation. For 2016, the FCC floor is \$18.00 for residential access subscribers, and that rate has to be effective as of June 1, 2016. The increase to \$18.00 for residential subscribers put Beehives rates at the current Commission approved Affordable Base Rate that has been used in similar cases to determine Utah USF distribution. The business subscriber rate is \$27.50.

If you have any questions concerning the above, please contact me at your convenience.

Sincerely yours,

/s/ David R. Irvine
