On April 18, 2016, the Commission issued a Notice of Requirement to File a Petition to Amend Tariff or to Deviate from the Affordable Base Rate in Docket No. 16-R360-01 (the "Notice"). On May 26, 2016, the Commission filed a Supplemental Notice ("Supplemental Notice"). On June 7, 2016, the Commission issued a Notice of Change to Proposed rule and Order Setting Utah Affordable Base Rate ("Order").

Pursuant to the Order, the following proposed amendments to rule R746-360-6 ("Amendment") were issued by the Commission:

R746-360-2.B Rate Floor

1. Unless a petition brought pursuant to Subsection (B)(2) is granted after adjudication, to be eligible for USF subsidization, a telecommunications corporation shall charge, at a minimum, the following Affordable Base Rates for basic telecommunications services;
  - a. As of July 1, 2016:

- i. \$18.00 per residential line; and
  - ii. \$26.00 per business line.
- b. As of July 1, 2017:
  - i. \$20 per residential line; and
  - ii. \$26.00 per business line.

The Notice provided that a telecommunications provider must petition the Commission for approval to revise its tariff in order to increase its rate(s) and such petition must be filed at least seven (7) days prior to the date on which the telecommunications provider proposes to begin charging the new rate(s).

The Supplemental Notice issued by the Commission stated:

“By definition, the Utah affordable base rate includes ‘monthly per line retail rates, charges or fees for basic telecommunications service[.]’ Utah Administrative Code R746-360-2. Any Utah rural telecommunications provider that petitions for a rate change in order to comply with the Commission’s affordable base rate is directed to specify whether the revised rate includes mandatory extended area service fees, state subscriber line fees, and/or state universal service charges. If the revised rate is intended to be inclusive, the petitioner is directed to itemize the fees and charges that sum to the affordable base rate.”<sup>1</sup>

The Order provides that “a provider that wishes to include mandatory extended area service fees, state subscriber line fees, and/or universal service charges in the base rate shall itemize in its tariff the various fee and charges that sum to the affordable base rates.”<sup>2</sup>

The final rule has not yet gone into effect. Nevertheless, Hanksville hereby petitions the Commission for approval to revise its tariff in order to increase its rates pursuant to the *proposed* Affordable Base Rate Rule R746-360-6, the Notice, the Supplemental Notice, and the Order. Specifically, Hanksville requests approval of Hanksville’s tariff revisions to

<sup>2</sup> Order dated June 7, 2016, p. 3.

include a rate increase, effective July 1, 2016, in the R-1 Residential rates as follows:<sup>3</sup>

Exchange	Current Residential Rate	New Residential Rate
All Exchanges	\$11.03 <sup>4</sup>	\$17.82

The revised residential rate will not be inclusive of the mandatory extended area service (“EAS”), state Universal Service Fund (“State USF”) surcharges, and state subscriber line charges (“State SLC”). Rather, such rate elements will remain separate. However, the sum of the Residential (R-1) rate, the mandatory EAS, the State USF Surcharge, and the State SLCs is equal to the Commission proposed Affordable Base Rate of \$18.00 for residential service:

<b>Rate Elements</b>	<b>Rate</b>
Residential Rate	\$17.82
Mandatory EAS	n/a
State SLC	n/a
State USF	\$0.18
<b>Total:</b>	<b>\$18.00</b>

Hanksville further requests approval of Hanksville’s tariff revisions to include a rate increase, effective July 1, 2016, in the Business (B-1) rate as follows:<sup>5</sup>

Exchange	Current Business Rate	New Business Rate
All Exchanges	\$19.37 <sup>6</sup>	\$25.74

<sup>3</sup> Revised Tariff Sheets as needed are attached to this Petition as Exhibit 1.

<sup>4</sup> The Hanksville residential rate is identified by two rate elements on Tariff Sheet No. 20 (\$9.23) and Tariff Sheet No. 21 (\$1.80 for measured service). Hanksville’s proposed Tariff Revisions consolidate the residential service rate into one rate element identified on Tariff Sheet No. 20 (1<sup>st</sup> Revised).

<sup>5</sup> Revised Tariff Sheets as needed are attached to this Petition as Exhibit 1.

<sup>6</sup> The Hanksville business rate is identified by two rate elements on Tariff Sheet No. 20 (\$16.67) and Tariff Sheet No. 22 (\$2.70 for measured service). Hanksville’s proposed Tariff Revisions consolidate the business service rate into one rate element identified on Tariff Sheet No. 20 (1<sup>st</sup> Revised).

The revised business rate will not be inclusive of the mandatory EAS, State USF surcharges, and State SLC. Rather, such rate elements will remain separate. However, the sum of the Business (B-1) rate, the mandatory EAS, the State USF Surcharge, and the State SLCs is equal to the Commission proposed Affordable Base Rate of \$26.00 for business service:

<u>Rate Elements</u>	<u>Rate</u>
Business Rate	\$25.74
Mandatory EAS	n/a
State SLC	n/a
State USF	\$0.26
<b>Total:</b>	<b>\$26.00</b>

Pursuant to the Notice, the requested effective date of the tariff revisions to increase rates is on July 1, 2016, which is after June 1, 2016; the Petition is being filed seven (7) days before the proposed effective date of the new rates; the requested rates do not exceed \$18 per residential line, and \$26 per business line; and no other changes are proposed to Hanksville’s tariff. Therefore, all of the requirements set forth in the Notice have been met by this filing, and Hanksville is entitled to approval of the tariff revisions, and rate increases as requested herein. Further, as provided in the Notice, this Petition should be adjudicated informally without hearing.

**CONCLUSION**

Hanksville petitions the Commission for approval to revise its tariff in order to increase its rates to preserve Hanksville’s eligibility for State USF support. Hanksville has met all of the requirements for informal adjudication of its Petition for Approval of Tariff Revisions, and is entitled to the rate increases requested herein, effective July 1, 2016.

Respectfully submitted this 16<sup>th</sup> day of June, 2016.
