3	ALJ JONSSON: For the record, today is
4	Wednesday, January 11th, 2017. It's a little bit after
5	9:00 in the morning. This is the time and date set for
6	the hearing in the Matter of the Joint Application of
	Electric Lightwave Parent, Inc.; Electric Lightwave,
8	LLC; Eschelon Telecom of Utah, Inc.; Integra Telecom of
9	Utah, Inc.; and Zayo Group, LLC.
10	
	There are three docket numbers. They are
11	16-2536-01, 16-2299-02, and 16-2263-01. Counsel for
12	the Division of Public Utilities is not here quite yet.
13	We have heard that he's on his way. Let's go ahead and
14	enter appearance of counsel for the applicants.
15	MR. EVANS: I am William Evans of Parsons,
16	Behle & Latimer for the joint applicants, Zayo Group
17	and Electric Lightwave parents and its licensees.
18	ALJ JONSSON: Thank you. And counsel for the
19	Division has just walked in. Go ahead when you're
20	ready.
21	MR. JETTER: Good morning. I apologize for
22	my tardiness this morning. I had just a mistake on
23	my calendar. I'm Justin Jetter with Utah Attorney
24	General's Office. I represent the Utah Division of
25	Public Utilities. And with me at counsel table is Ron

Page 5 Slusher. 1 2 ALJ JONSSON: Thank you. 3 MR. EVANS: And on the telephone, if I may 4 interject, for Electric Lightwave is Douglass Denney, and for Zayo Group is Greg Strumberger. 5 6 ALJ JONSSON: Thank you. And is that Electric Lightwave Parent or --7 MR. EVANS: It's Electric Lightwave Parent 8 and its licensees, who are the list of Utah operating 9 10 companies that you read. 11 ALJ JONSSON: Okay. Thank you very much. 12 All right. Well, let's go ahead and begin the hearing. 13 Mr. Evans? 14 MR. EVANS: Yes. This is on the joint application of the joint applicants filed on 15 December 2nd. We filed an application with exhibits, 16 and we also filed supplemental exhibits last Friday, 1 17 and 2. 18 19 I have to point out that the dates in the cover letter are wrong, which you have caught. Thank 20 21 you for that. And also on the cover sheet of the 22 Supplemental Exhibits 1 and 2, the docket number -second docket number should be 16-2299-02 rather than 23 01. The Commission has been notified of that 24 correction already. 25

Page 6 So -- that's all the housekeeping. 1 If you're 2 ready, we can call our first witness on behalf of the applicants, Greg Strumberger. 3 4 ALJ JONSSON: All right. Mr. Strumberger, can you hear Mr. Evans all right? 5 6 MR. STRUMBERGER: Actually, would it be 7 possible for him to get a little closer to the phone? 8 I can't hear very well. 9 ALJ JONSSON: Yes. 10 MR. EVANS: I will speak up then. How is 11 that? 12 ALJ JONSSON: Is that better? 13 MR. STRUMBERGER: Okay. That is. Thank you. 14--000--15 GREG STRUMBERGER, 16 having been first duly sworn to tell the truth, was examined and testified as follows: 17 18 EXAMINATION BY MR. EVANS: 19 20 Good morning, Mr. Strumberger. If at any 0. 21 time you can't hear me, please speak up, and I will try 22 to speak louder for you. 23 For the record, would you please state your name, your business address, and your position at Zayo 24 25 Group?

1	Page 7 A. My name is Greg Strumberger. My business
2	address is 1805 29th Street, Ste. 2050, Boulder,
3	Colorado 80301. And I'm general counsel of Zayo
4	Canada.
5	Q. And what is the relationship between Zayo
6	Canada and Zayo Group, LLC, the applicant in this
7	proceeding?
8	A. Zayo Canada is a subsidiary and division of
9	Zayo Group, LLC.
10	Q. And how long have you held the position of
11	general counsel for Zayo Canada?
12	A. I've been with Zayo Canada for approximately
13	one year. And for five and a half years before that, I
14	was general counsel for a variety of divisions of Zayo
15	Group.
16	Q. Have you reviewed the joint application filed
17	by Zayo and Electric Lightwave parties in this docket?
18	A. Yes, I have.
19	Q. And do you have personal knowledge of the
20	matters set out in the application?
21	A. Yes.
22	Q. Are you the person who signed the
23	verification to the application?
24	A. Yes.
25	Q. And for the purposes of your testimony today

Page 8 1 then, do you adopt the statements made in the 2 application as your own? Α. Yes. 3 4 ο. Are there any changes or corrections that should be made to the joint application? 5 6 Α. No corrections or changes. Is Zayo asking the Commission to approve this 7 0. transaction pursuant to the informal procedures 8 described in the Commission's Rule 7463497? 9 10 Yes, we are. Α. 11 Is Zayo or any of its affiliates serving as Q. 12 an incumbent local exchange carrier anywhere in the 13 state of Utah? 14 Α. No, we're not. And are Zayo and Electric Lightwave Companies 15 Q. required to file for Section 214 authority with the 16 Federal Communications Commission to complete this 17 transaction? 18 19 Α. Yes. We filed applications for approval for 20 indirect transfer control of the subsidiaries that hold 21 the domestic and international 214 applications, 2.2 authorizations. And those applications were filed on December 9th of 2016. 23 And has the -- have the CC applications been 24 0. submitted in the Utah docket? 25

Page 9 Those were filed as Supplemental 1 Α. Yes. 2 Exhibit 1. Has the FCC established a pleading cycle for 3 0. 4 those applications? Yes. With respect to the domestic, the FCC 5 Α. issued a public notice on December 22nd of 2016 6 establishing a pleading with comments of interest due 7 8 January 5th, 2017, and reply comments due January 12th. 9 With respect to the international 214, the 10 FCC issued its public notice on December 30th, 2015. 11 And they're accepting application for filing incumbents 12 or interested parties. And those are due on January 27th, 2017. 13 And are the FCC public notices the documents 14 0. 15 that have been filed in the Utah docket as Supplemental Exhibit 2? 16 17 Yes, they have. Α. Have there been any comments filed on the FCC 18 Q. 19 applications? 20 To this date, the domestic passed the Α. No. 21 January 5th date with no comments. We also don't 22 expect any reply comments. Similarly, we don't expect 23 any comments to be filed with respect to the international 214 applications either. 24 So do you have an idea about when you might 25 Q.

Page 10 expect to have FCC approval of the transaction? 1 2 Α. Unless we're notified otherwise, which we don't expect, we anticipate to have the approval in 3 4 either late January or early February. Do any state commissions other than Utah 5 0. 6 require Zayo and Electric Lightwave to obtain approval before closing this transaction? 7 Yes, they do. The application that we filed 8 Α. with the Utah Commission lists on page 6 all of the 9 states that require approval. 10 11 And have applications been filed in all of Q. 12 those states? 13 Yes, they have. Α. I see the New York application has been 14 Q. 15 submitted as Exhibit B to the Utah application; is that 16 right? 17 That's correct. Α. 18 And are the applications that have been filed 0. 19 in other states substantially similar to the Utah and 20 New York petitions? 21 Yes, they have. Yes, they are. Α. 22 Q. Have any states in which approval is required 23 approved the transaction as of today? 24 Not yet. It's running through the normal Α. 25 process, and we expect most of the approvals to come

Page 11 through in January or early February. I also should 1 2 mention that the FTC and Department of Justice granted early termination of our Hertz Docwidinal {sp} filing. 3 4 And they granted that on December 28th of 2016. 5 0. Okay. In those states that have not yet 6 approved the transaction, including Utah, have you 7 received or are you aware of any opposition or protest to the transaction? 8 Except for Louisiana, we haven't received or 9 Α. are aware of any opposition or protest to the 10 11 transaction. We did have one small one in Louisiana. 12 Commission staff filed a protest because the staff 13 alleged we were delinguent in filing a report that was 14 due on the first quarter of 2015. 15 We weren't doing any subsequent reports. 16 We're working to submit that report as soon as possible. Once that report is submitted, Louisiana 17 staff has indicated that it will withdraw its protest 18 19 and recommend approval. 20 Have you filed notifications in all states Q. 21 that require only notification? 2.2 Α. Yes, we have. 23 0. And do Zayo and Electric Lightwave have a date on which they would like to close this 24 transaction? 25

Page 12 1 Our plan is to close as soon as we have all Α. 2 the regulatory approvals. And we're anticipating the back closing to take place sometime in March of 2017. 3 4 0. Okay. Would you like to offer a summary of why you believe this transaction is in the public 5 6 interest? Yeah. This transaction is branding together 7 Α. under the management of Zayo three companies that have 8 9 a long history of providing great service in Utah -Electric Lightwave, Eschelon Telecom, and Integra 10 11 Telecom, or the licensees as they're called in the 12 application. 13 Because ELI Parents' network and Zayo's 14 complement each other, approval of the transaction will allow the licensees to offer service to 15 16 multi-litigation businesses and enterprise customers across and an even larger footprint once they're 17 18 combined with Zayo. 19 Approval will also promote competition 20 amongst carriers in Utah with -- because there will be 21 a greater access to financial resources. And these 22 companies will allow the combination with Zayo and 23 become more effective competitors to the larger 24 incumbent providers. 25 After they become part of Zayo, the Utah

Page 13 licensees will continue to provide the same quality --1 2 high-quality telecommunications services to consumers 3 as before, while also gaining accesses to the 4 additional resources and operational expertise of Zayo. The transaction described in the application 5 will not result in a carrier change for any customers 6 or require any sign of an existing commission 7 [unintelligible]. They will also be seamless to the 8 Utah customers who will continue to enjoy the same 9 rates, terms, conditions, and quality of service as 10 11 they do now. 12 The only immediate change resulting from the 13 transaction will be that the licensees will ultimately 14 be owned by Zayo as their ultimate parent. And if 15 there are any changes or any service changes in the 16 future, we'll notify customers appropriately and will receive the required ILMs. As a result of this 17 18 transaction, we simply expect that the Utah licensees 19 will be better positioned to meet the needs of the Utah 20 customers. 21 MR. EVANS: Okay. Thank you, 2.2 Mr. Strumberger. Mr. Strumberger is available for 23 cross. 24 MR. JETTER: I have no questions. Thank you. 25 ALJ JONSSON: Thank you.

Page 14 1 MR. EVANS: May we call Douglass Denney from 2 the Electric Lightwave Parent. 3 ALJ JONSSON: Yes. Mr. Denney, can you hear 4 all right? 5 MR. DENNEY: Yes, I can. Thank you. 6 --000--7 DOUGLASS DENNEY, having been first duly sworn to tell the 8 truth, was examined and testified as follows: 9 10 EXAMINATION 11 BY MR. EVANS: 12 Q. Good morning, Mr. Denney. For the record, 13 would you please --14 Α. Good morning. Would you please state your name, your 15 Q. business address, and your position at Electric 16 17 Lightwave. 18 Α. Yes. I am Douglass K. Denney, D-E-N-N-E-Y. My business address is 18110 Southeast 34th Street. 19 20 It's in Building 1, Suite 100, in Vancouver, 21 Washington. Zip code is 98683. My title is I'm the 22 vice-president of cost and policy for Electric 23 Lightwave. And how long have you held that position? 24 0. I've been in this position since March of 25 Α.

Page 15 2012. And prior to that, I worked on regulatory issues 1 2 on behalf of Integra and Eschelon. Eschelon was purchased by Integra in 2008. And I've been doing that 3 since December of 2004. I also note I've appeared 4 before this Commission on numerous occasions in the 5 6 past, most recently with the CenturyLink-Quest merger. Have you reviewed the joint application filed 7 0. in the Utah docket on December 2, 2016? 8 9 Α. Yes, I have. Did you sign the application on behalf of 10 0. 11 Electric Lightwave? 12 Α. Yes, I did. 13 So do you have personal knowledge of the 0. details of this transaction and the facts set out in 14 the application? 15 16 Yes, I do. Α. Were you present this morning and did you 17 0. 18 hear Mr. Strumberger's testimony? 19 Α. Yes. Apart from the information contained in the 20 ο. 21 supplemental exhibits and the information offered by 22 Mr. Strumberger, do you have any changes or corrections 23 to make to the joint application? 24 Α. I have no changes or corrections. Have you reviewed or are you aware of any 25 Q.

Page 16 1 opposition from third parties or the public to the FCC 2 Section 214 applications? I'm not aware of any opposition to those 3 Α. 4 filings. 5 0. Have you received or are you aware of any 6 notices or correspondence from state utility commissions denying the parties' applications for 7 approval of this transaction? 8 9 Α. No, I am not. 10 Are you aware of any objection or protest 0. 11 from regulators or third parties or the public to any 12 application for approval filed with any state 13 commission? 14 Α. I'm not aware of any of those protests or opposition other than what was addressed by 15 Mr. Strumberger in Louisiana. 16 Okay. Is Electric Lightwave or any of the 17 0. Utah licensees serving as an incumbent local exchange 18 carrier anywhere in the state of Utah? 19 20 ALJ JONSSON: Mr. Denney, are you still with 21 us? 2.2 THE WITNESS: I am still with you. Was there 23 another question? I didn't hear. 24 MR. EVANS: Yeah. I'm sorry. I'll try that 25 again.

Page 17 (By Mr. Evans) Is Electric Lightwave or any 1 0. 2 of the Utah licensees serving as incumbent local exchange carriers anywhere in Utah? 3 4 Α. No, we are not. Do you have a summary that you'd like to 5 0. offer of why you believe this transaction is in the 6 public interest? 7 8 Α. Yes. Similar to Mr. Strumberger, this transaction will combine the resources and experiences 9 10 of two companies that have already shown I think their 11 ability to offer high quality service to Utah customers 12 through their Utah operating companies. 13 By combining networks and financial, 14 technical, managerial resources, the company will be 15 better able to compete in the market for services, and that will benefit customers in Utah. 16 17 This transaction's been designed so that the current customers of Zayo and Electric Lightwave will 18 19 continue to receive the same high quality of service 20 that they've come to expect without any interruptions, 21 without any changes to their service offerings, rates, 22 terms, or conditions. And I believe this transfer of 23 control to Zayo serves the public interest. And we 24 request that the Commission approve it. 25 All right. Thank you. MR. EVANS:

Page 18 1 Mr. Denney is available for cross. 2 MR. JETTER: I have no questions. 3 ALJ JONSSON: Thank you. MR. EVANS: We would then offer into evidence 4 the application with Exhibit A and B and Supplemental 5 Exhibits 1 and 2. 6 7 ALJ JONSSON: Any objection? MR. JETTER: No objections. 8 ALJ JONSSON: All right. We'll enter those 9 10 as marked. 11 Mr. Jetter, go ahead. 12 MR. JETTER: Thank you. The Division would 13 like to call and have sworn in Mr. Ron Slusher. 14 --000--15 RON SLUSHER, 16 having been first duly sworn to tell the 17 truth, was examined and testified as follows: 18 EXAMINATION BY MR. JETTER: 19 20 Mr. Slusher, would you please state your name Q. 21 and occupation for the record today. 2.2 Α. My name is Ron Slusher, S as in Sam, 23 L-U-S-H-E-R. I'm the utility technical consultant for the Division of Public Utilities. 24 Thank you. And in the course of your 25 Q.

Page 19 employment with the Utah Division of Public Utilities, 1 2 have you had the opportunity to read the joint application filed in this docket, along with the 3 exhibits that were filed with it? 4 5 Α. Yes. 6 ο. And did you create and cause to be filed with the Commission comments from the Division of Public 7 Utilities dated December 28th, 2016? 8 Yes, I did. 9 Α. Do you have any corrections or changes that 10 0. you would like to make to those? 11 12 Α. I do not. 13 And does that recommendation, which, for the 0. 14 record, the recommendation recommending approval of the application, does that accurately reflect the position 15 of the Division of Public Utilities today? 16 Yes, it does. 17 Α. 18 Have you had an opportunity to review 0. 19 Supplemental Exhibits 1 and 2 filed January 6th, 2017? 20 T have. Α. 21 And do either of those or those combined 0. 22 change your opinion on approval? 23 Α. It does not. Are you aware of any objections to approval 24 0. 25 of this application?

Page 20 I have not seen or heard of any objections. 1 Α. 2 And do you believe that approval of the Q. application would be just, reasonable, and in the 3 4 public interest? Α. 5 Yes. 6 MR. JETTER: Thank you. I'd like to move at this time to enter the comments from the Division of 7 Public Utilities dated December 28th, 2016, into the 8 9 record. 10 ALJ JONSSON: Any objection? 11 MR. EVANS: No objection. 12 ALJ JONSSON: Thank you. 13 MR. JETTER: Thank you. I have no further 14 questions for Mr. Slusher. He's available for cross. 15 ALJ JONSSON: Anything? 16 MR. EVANS: No questions. Thank you. 17 ALJ JONSSON: All right. Thank you all very I believe I have what I need, and an order will 18 much. 19 issue shortly. We'll close this hearing. Thank you 20 all. 21 MR. JETTER: Thank you. 2.2 MR. EVANS: Thank you. 23 (The proceedings concluded at 9:25 a.m.) 24 25
