RE: Petition of Neighborhood Networks, Inc. for a Certificate of Public Convenience and Necessity to Provide Resold and Facilities-Based Local Exchange Services within the State of Utah

To Whom it May Concern:

Enclosed on behalf of Neighborhood Networks, Inc. ("Neighborhood Networks") are an original and two (2) copies of the Application for a Certificate of Public Convenience and Necessity to provide Resold and Facilities-Based Local Exchange Services within the State of Utah. An electronic copy has been submitted to the Commission via e-mail.

Neighborhood Networks, Inc. wishes to provide resale and facilities-based local and interexchange services as well as fiber, IPTV and VoIP services to business and residential customers in the State of Utah.

A check in the amount of \$100 is also enclosed.

Please verify receipt of this application by returning one file-stamped copy of this letter in the attached, pre-paid envelope.

We hope the Commission will grant Neighborhood Networks, Inc. the requested certification, and request that this certification be approved on an expedited basis, if possible.

Please don't hesitate to contact me if you should have any questions about Neighborhood Networks' application, or if you need additional information.

Sincerely,

Carol Lisowski
Regulatory Consultant for
Neighborhood Networks, Inc.
