| 1  | Page 2<br>MR. HAMMER: Good morning, everyone. This is the |
|----|---|
| 2  | time and place notice for a hearing in 14 separate        |
| 3  | dockets relating to the 2019 Utah Universal Service       |
| 4  | Fund, preliminary recommendations, uh, for members of     |
| 5  | the Utah Rural Telecom Association. Those are             |
| 6  | commission docket numbers, 18-040-01, et al.              |
| 7  | My name is Michael Hammer and I'm the conditions          |
| 8  | designated presiding officer. With that, let's go         |
| 9  | ahead and take appearances please.                        |
| 10 | MS. SLAWSON: Kira Slawson on behalf of, uh, URTA          |
| 11 | and its members.  |
| 12 | MR. JETTER: And I'm Justin Jetter with the Utah           |
| 13 | Attorney General's Office and I'm here today              |
| 14 | representing the Utah Division of Public Utilities.       |
| 15 | With the in-counsel table is the Division of Public       |
| 16 | Utilities witness Gary Smith. Um, And I'd like to just    |
| 17 | address, uh, something very briefly after we finish       |
| 18 | this before we get started if that's okay.                |
| 19 | MR. HAMMER: Sure.   |
| 20 | MR. MOORE: Uh, Robert Moore with the AGs office           |
| 21 | representing the, uh, Office of Consumer Service. With    |
| 22 | me is, uh, Michele Beck, director of the office.          |
| 23 | MR. HAMMER: And before we come back to you Mr.            |
| 24 | Jetter, I understand we have quite a few people on the    |
| 25 | phone. Would you all like to go ahead and well, let       |
| 1  |   |

Page 3 me ask Ms. Slawson, are these mostly your clients or 1 2 peop- -- or the members? 3 MS. SLAWSON: I believe, um, on the phone we have 4 a -- a variety of our URTA members and I also think, although I didn't hear it, I -- I was believing that 5 Bruce Asay who represents union wireless -- or union 6 telephone companies on the phone. He's in Wyoming. 7 8 MR. HAMMER: All right. Let -- so let me first 9 ask --10 Mr. Hammer, that is correct. Mr. MR. ASAY: 11 Hammer, that is correct. This is Bruce Asay with Union 12 Telephone Company. 13 MR. HAMMER: Thank you, Mr. Asay. 14 MS. SLAWSON: And then also we've got URTA has Douglas Meredith, URTA's consultant on the phone. 15 16 MR. MEREDITH: Yes, that's correct. Thank you. 17 MR. HAMMER: And Mr. Meredith will testify 18 telephonically today? Is that --MS. SLAWSON: As needed, yeah. He's -- he's sick 19 20 so he couldn't be here. 21 MR. HAMMER: Are there any other council on the 2.2 line? And are there any other individuals on the line 23 that might present testimony today? 24 MS. SLAWSON: Uh, Darren Woolsey from Emory Telecom may -- uh, from Emory Telcom, to Carbon Emory 25

| 1  | Page 4<br>Telecom Inc and, uh, Hanksville Telecom Inc. can |
|----|--|
| 2  | present testimony as if needed.                            |
| 3  | MR. HAMMER: Okay. Mr. Woolsey are you with us?             |
| 4  | MR. WOOLSEY: Yes, I'm on the phone.                        |
| 5  | MR. HAMMER: Thank you. And then and then                   |
| 6  | unless the parties and folks on the phone, feel free       |
| 7  | to speak up, uh, feel the need for the folks on the        |
| 8  | phone to introduce themselves, I think we can forgo        |
| 9  | having them all try and speak over one another and         |
| 10 | state their names.   |
| 11 | MR. JETTER: Works for us.                                  |
| 12 | MR. HAMMER: Okay. Mr. Jetter.                              |
| 13 | MR. JETTER: Thank you. Uh, so, in terms of                 |
| 14 | order, um, the division has agreed with the other          |
| 15 | parties to introduce the stipulation and and               |
| 16 | briefly cover the terms of that stipulation.               |
| 17 | And so, I think it would make most sense to, uh,           |
| 18 | have the division, um, present first. And then I           |
| 19 | believe the order that we have agreed to was division,     |
| 20 | UTRA, and then the Office of Consumer Services.            |
| 21 | MR. HAMMER: That works for me.                             |
| 22 | MR. JETTER: Um, so, I'd like to, uh, I guess               |
| 23 | first begin just with, um, a motion to introduce all       |
| 24 | of the filed documents in this case.                       |
| 25 | The parties have agreed that the stipulation to            |
|    |  |

Page 5 1 introduce those and rather than going through them 2 one-by-one, I think it might make sense just at the outset to move to reading everything that's been filed 3 4 into the record of the hearing. 5 MR. HAMMER: Any objection? 6 MS. SLAWSON: No. 7 MR. MOORE: No objection. 8 MR. HAMMER: And are the parties aware of the 9 numerous filings that came in yesterday? I believe they were working papers relating to the calculations 10 11 included in the settlement from the division. 12 MS. SLAWSON: Yes. And -- and I believe the work 13 papers were wiled as, uh, confidential documents; is 14 that correct? 15 That is correct. MR. HAMMER: 16 MS. SLAWSON: Yeah, so we pref -- we would like them to remain confidential but be included in the 17 18 record. 19 MR. HAMMER: So those are included within the scope of the motion? 20 21 MR. JETTER: Yes. 2.2 MR. HAMMER: Then the motion is granted. 23 MR. JETTER: Thank you. Um, so the division would 24 like to call and have sworn in, the division witness, 25 Gary Smith.

| 1  | Page 6<br>MR. HAMMER: Mr. Smith, do you swear to tell the |
|----|---|
| 2  | truth?  |
| 3  | MR. SMITH: I do.  |
| 4  | MR. HAMMER: And you can remain seated. Thanks.            |
| 5  | Mr. Smith, could you please state your name and           |
| 6  | occupation for the record?                                |
| 7  | MR. SMITH: Um, Gary Smith. A utility analyst for          |
| 8  | the Division of Public Utilities, State of Utah. Um,      |
| 9  | 160 East 300 South Salt Lake City, Utah.                  |
| 10 | MR. HAMMER: Thank you. And do you have a brief            |
| 11 | overview of the stimulation that you'd like to present    |
| 12 | this morning?   |
| 13 | MR. SMITH: Yes, I do.                                     |
| 14 | MR. HAMMER: Please go ahead.                              |
| 15 | MR. SMITH: The division and other parties to the          |
| 16 | docket met numerous times over the past year to           |
| 17 | discuss the various disagreements the parties have        |
| 18 | regarding the division's preliminary recommendations      |
| 19 | for UUSF distributions to the companies.                  |
| 20 | The parties worked together in a good faith               |
| 21 | effort to reach agreement on these issues. The parties    |
| 22 | reached a stipulation agreement on many of the            |
| 23 | outstanding areas of disagreement.                        |
| 24 | I will walk through the terms of the agreement as         |
| 25 | they are presented in the stipulation and then explain    |

Page 7

1 the remaining disagreement.

I only intend this introduction to highlight the areas of agreement that the parties have reached, and I will not address all paragraphs of the stipulation. To the extent that any of my comments are either inconsistent or incomplete in comparison to the language of the stipulation, the language of the stipulation represents the agreement of the parties.

9 Turn to page 5 of the stipulation. Paragraph 2, 10 the parties agreed to apply the 2017 corporate tax 11 rate and use the gross -- a gross of the revenue 12 requirement for normal -- normalized taxes. In 13 paragraph 3, parties agree to apply to 2019 federally 14 prescribed weighted average cost of capital rate of 15 return of 10.375 percent.

16 On table one of page 5, this provides the result 17 of the calculation without interest synchronization 18 adjustments. Table two on page 6 provides the results 19 of the same calculation with interest synchronization 20 adjustments.

I need to address some errors in the stipulation, um, that we noted. Uh, this has been passed out. And, um, table one of, uh, page 5, if you look at Hanksville Telecom Inc., we initially had 52,993 as the number.

Page 8 The actual number should be corrected to 57,968. 1 2 On page, uh, 6, table 2, there are 2 corrections. 3 Uh, if you look on the Carbon Emory Telecomm Inc. 4 line of that table, we initially had 1,691,445. That number should be corrected to 1,691,747. 5 6 And jumping down to Hanksville Telecom Inc., uh, we initially had 46,123. That number should be 7 corrected to 50,828. 8 And that is the sum of the corrections that we 9 10 have. 11 Um, in paragraph 8 on page 6 through 7, the 12 parties agree that the carriers will comply with the 13 National Exchange Carriers Association reporting quidelines for reporting of excess deferred income 14 tax, or otherwise known as EDIT. 15 The EDIT account for each carrier will be 16 deferred -- a deferred liability account and the EDIT 17 will be returned through either the income tax credit 18 19 method or income adjustment method found in the NECA 20 guidelines that are attached to the stipulation as 21 exhibit 1. 2.2 Exhibit 1 does have numerous pages. The flowback 23 methods described in paragraph 8 are found on the lower half of the third page of exhibit 1 under the 24 paragraph beginning with attachment c illustrates. 25

Page 9 Paragraph 9 of the stipulation expressly 1 2 addresses the treatment of Alternative-Connect America 3 Cost Model, otherwise commonly known as A-CAM funds. The stipulation does not represent any agreement 4 by the parties on the treat -- on the treatment of A-5 6 CAM funds. The parties request the commission opened a separate docket for the purpose of addressing A-CAM. 7 Uh, paragraph 11 of the stipulation states that 8 9 the parties agree to work together if it is determined 10 that the rule changes are required to implement terms 11 of this stipulation agreement. 12 Finally, I'd like to briefly address the outstanding disagreement on the interest 13 synchronization. The parties both agree that the issue 14 is briefed for commission decision and do not intend 15 to make additional arguments in the testimony today. 16 17 As I mentioned earlier, the results with and without interest synchronization adjustments can be 18 19 found in tables one and two respectively. The division 20 appreciates the efforts to meet and work on 21 stipulation from all parties involved. 2.2 The division recommends the commission approve 23 the stipulation as just, reasonable, and in the public 24 interest. And that concludes my statement. 25 Thank you. Anything else, Mr. MR. HAMMER:

Page 10 1 Jetter? 2 MR. JETTER: I have no further questions. Mr. 3 Smith is available for cross from the parties or 4 questions from the commission. I'll start with Ms. Slawson. 5 MR. HAMMER: 6 MS. SLAWSON: Uh, we have no questions. 7 MR. HAMMER: Mr. Moore? 8 MR. MOORE: No questions, thank you. 9 MR. HAMMER: Mr. Asay, on the phone, do you have any questions for Mr. Smith? 10 11 MR. ASAY: I do not. Thank you. 12 MR. HAMMER: Thank you. And I don't have any 13 questions for Mr. Smith. Thank you, Mr. Jetter. Do you 14 have any other witnesses? MR. JETTER: No further witnesses. Thank you. 15 16 MR. HAMMER: Then we will go to Ms. Slawson, I 17 believe. 18 MS. SLAWSON: Thank you. Um, so I understand URTA 19 and its members, with various members on the 20 telephone. 21 Um, rather than call any individual witness, um, 2.2 I'd be happy to proffer to the court that we agree 23 with the terms of the stipulation and that we believe it is just and reasonable in result. And if -- if 24 needed, uh, I can make a witness available for 25

Page 11 1 questions. 2 MR. HAMMER: I won't compel you to do that, thank 3 you. Mr. Moore. I'm sorry --4 [talking over each other] 5 MR. HAMMER: -- time. 6 MR. MOORE: Thank you. I'd like to call Michele Beck to the stand to be sworn in. 7 8 MR. HAMMER: You can stay there. Ms. Beck, do you swear to tell the truth? 9 10 MS. BECK: Yes, I do. 11 MR. HAMMER: Thank you. MR. MOORE: Can you please state your name and 12 13 title for the record? MS. BECK: Uh, my name is Michele Beck and I'm 14 the director of the Office of Consumer Services. 15 16 MR. MOORE: In your position as director of the 17 Office of Consumer Services, do you participate in discussions and notion -- negotiations leading to the 18 stipulation in -- that is the subject of this hearing? 19 20 MS. BECK: Yes, I did. 21 MR. MOORE: And you viewed and signed the 2.2 stipulation? 23 MS. BECK: Yes, I have. 24 MR. MOORE: Are you aware of the changes in the 25 stipulation regarding Hanksville and Carbon Emory

Page 12 Telecoms that have been the subject of prior testimony 1 2 in this hearing 3 MS. BECK: Yes, I am. 4 MR. MOORE: With these changes, do you believe that stipulation taken as a whole is just and 5 reasonable in result and in the public interest? 6 7 MS. BECK: Yes, I do. 8 MR. MOORE: Do you have a statement you'd like to 9 make? 10 I just have a brief statement. I MS. BECK: 11 wanted to just, um, highlight that there are three 12 areas of additional work that we'll be doing. 13 So the first comes at the end of paragraph 8, 14 that the parties are going to, um, continue discussions about what to do with the flow back of 15 EDIT when an offset to UUSF distributions is not 16 17 available. Um, so that's, um, the first one. The second one 18 is paragraph 9. Mr. Smith, um, specifically referenced 19 20 that, um, which was the request for, uh, opening a new 21 docket about A-CAM. 2.2 And then the third is paragraph 11 and I'm going 23 to offer a slight clarification to what Mr. Smith 24 said, um, with the expectation or hope that he will 25 agree with me.

Page 13 1 Uh, and this I think was an agreement to do 2 additional work on, uh, that under all -- any circumstance whether or not, um, any kind of a waiver 3 4 to the current rule is necessary under any 5 circumstance. 6 It is our intent to continue to work, um, so that 7 we can, uh, put some more de -- detail into the rules, 8 um, that govern the filing of these, uh, these --9 these annual requests and recommendations. 10 So I just wanted to note those three work streams that will be continuing, um, going forward. And I have 11 12 nothing further. 13 MR. HAMMER: Thank you. 14 MR. MOORE: Uh, Director Beck is available for cross-examination and questions from the hearing 15 officer. 16 17 MR. HAMMER: Mr. Jetter? 18 MR. JETTER: I have no questions. Thank you. MR. HAMMER: 19 Ms. Slawson? 20 MS. SLAWSON: No questions. 21 MR. HAMMER: Mr. Asay? Mr. Asay, are you on the 2.2 phone? 23 MR. ASAY: I have no questions, thank you. 24 MR. HAMMER: Thank you. My only question, and I'll come back to Ms. Slawson to address this issue in 25

Page 14 1 a moment. 2 Uh, Mr. Smith identified several corrections, uh, 3 in what's been passed around as hearing exhibit 1 to 4 the party's stipulation. Ms. Beck do you agree that those corrections are accurate and ought -- and the 5 settlement ought to be modified as reflected in them? 6 7 MS. BECK: We support the modification. MR. HAMMER: Thank you. And I have no further 8 questions for you, Ms. Beck. Thank you. Any other 9 10 witnesses, Mr. Moore? 11 MR. MOORE: No other witnesses. 12 MR. HAMMER: Ms. Slawson, let me come back to you 13 and ask you whether your -- whether the URTA members concur that the modifications to this settle --14 15 settlement that Mr. Smith identified ought to be 16 incorporated in the final settlement. 17 MS. SLAWSON: Yes, the URTA members concur that the changes that were, um, identified in hearing 18 19 exhibit 1. 20 MR. HAMMER: Alright. Is there anything else from 21 the parties before we adjourn? 2.2 MR. JETTER: Um, if I might just recall Mr. Smith 23 for -- for a very brief question? 24 MR. HAMMER: I have -- have no objection. 25 MR. JETTER: Thank you for permitting me to do

Page 15 1 that. 2 MR. HAMMER: Mr. Smith -- pardon me. Mr. Smith 3 you're still under oath. 4 MR. SMITH: Yes. MR. JETTER: Um, Mr. Smith, do you agree with --5 6 with the clarification, uh, from OCS witness Ms. Beck a moment ago about the divisions, uh, and the parties 7 8 that agreed to commit to work together on, um, an ongoing set of, um, rule change, uh, meetings. 9 10 MR. SMITH: Yes, we are, uh, in agreement with 11 them. 12 MR. JETTER: Okay. Thank you. Um, I'd also like to move to introduce DPA [ph] hearings. I don't think 13 14 I've done that to the record, um --15 MR. HAMMER: It's admitted. 16 MR. JETTER: Thank you. I have no further questions. 17 MR. HAMMER. Thank you. And no cross? 18 19 MS. SLAWSON: No, thank you. 20 MR. HAMMER: All right. Is there anything else 21 before we adjourn? 2.2 MR. JETTER: Nothing from division. 23 MR. HAMMER: Thank you everyone. Drive safely 24 home. 25 MS. SLAWSON: Thank you.
