Dear Commissioners:

Attached for your notification are additions to the Qwest Corporation d/b/a CenturyLink QC Private Line Transport Services Price List:

See Attachment A for a List of Pages and Releases Being Filed

In this filing CenturyLink QC is seeking to remove references to Asynchronous Transfer Mode (ATM) service and LAN Switching Service (LSS). ATM service is being discontinued across the CenturyLink QC states and the company has been working on the end-of-sale and end-of-life for this service for several years. The equipment associated with this service was discontinued by the manufacturer Alcatel-Lucent in 2014, and CenturyLink QC's stock of spare equipment has been diminished. Customers have been notified of the pending discontinuance of the service.

LSS was discontinued in 2008 and there are no longer any customers.

CenturyLink QC respectfully requests that this proposed change become effective October 28, 2018.

If there are any questions, please contact me.

Sincerely,

A handwritten signature in blue ink that reads "Mark Brinton".
