Dear Commissioners:

Attached for your notification are additions to the Qwest Corporation d/b/a CenturyLink QC Advanced Communications Service Price List:

See Attachment A for a List of Pages and Releases Being Filed

In this filing CenturyLink QC is seeking to discontinue its Ethernet with Extended Transport (EwET) application under Metro Optical Ethernet (MOE). As of November 30, 2018, EwET will no longer be available to new customers. There are currently no existing intrastate EwET customers in Utah and the equipment associated with these services has been discontinued by the manufacturer.

CenturyLink QC respectfully requests that this proposed change become effective November 30, 2018.

If there are any questions, please contact me.

Sincerely,

A handwritten signature in blue ink that reads "Mark Brinton".
