Re: Docket 18-2302-01
Carbon/Emery Telcom Application for recovery of UUSF Application costs

Request:

The Division of Public Utilities (DPU or Division) requests a 30 day extension to provide comments in this docket.

Explanation:

The Division requests a 30 day extension to respond to the Notice of filing and comment period issued on January 24, 2018. That Notice requested comments by February 23, 2018 and reply comments by March 12, 2018. The Division requests an extension of the comment period to March 23 2018, and reply comments by April 12, 2018.

This extension is requested to allow Carbon/Emery Telcom sufficient time to respond to a data request issued by the Division. Additional time will be needed to review Carbon/Emery's response and develop our comments in response to the data received.
