### MEMORANDUM

**To:** Utah Public Service Commission

**From:** Utah Division of Public Utilities

Chris Parker, Director  
Bill Duncan, Telecommunications/Water Manager  
Casey J. Coleman, Utility Technical Consultant

**Date:** April 23, 2019

**Re:** In the Matter of i-wireless, LLC i-wireless, LLC Notice of Lifeline Rate Changes per Docket No. 18-2526-01.

#### **Recommendation:**

The Commission should acknowledge the proposed changes in minutes to i-wireless, LLC (“i-wireless”) Lifeline offerings in the State of Utah.

#### **Background:**

On March 28, 2019 i-wireless filed with the Commission a petition outlining changes to their existing lifeline program. As indicated by i-wireless in the petition, the changes are to comply with the requirements as outlined by the FCC and R746-8-403(2)(A)(ii). As contemplated by the order, i-wireless is filing the notification with the Commission that eligible Lifeline customers in Utah will receive a free monthly allotment of 750 airtime minutes, unlimited text messaging, and 2 GB of mobile broadband data.

The plan offered by i-wireless meets the requirements by the FCC to have 2 GB of data, additionally the Utah requirement of unlimited text messaging and 750 voice minutes has been met, and therefore, the Commission should acknowledge receipt of the notification by i-wireless.
